#### NOTES

- All pricing is delivered within the Longmont facility's delivery area to customer's primary place of business.
- Pricing does not include applicable Fuel Surcharge amounts or other temporary charges.
- Panel lengths shorter than 48" will have a \$2.00 per panel charge. Inquire on lengths greater than 30'.
- Shading on Galvalume and Galvanized finishes may be non-uniform

## ARCHITECTURAL PANELS

### 16" Image II Profile Information

- ✓ Hidden fastener system for residential and architectural use
- ✓ 26ga and 24ga Standard.
- ✓ See color chart for available colors
- ✓ Paint Warranty - Colorfast 45 year / Kynar 45 year
- ✓ Manufactured from 50 ksi steel
- ✓ Oil Canning is not a reason for rejection

- ✓ Available with striations, flat(w/waiver) or with minor ribs
- ✓ Panels installed over solid substrate only
- ✓ Minimum recommended roof slope: 3:12
- ✓ Not recommended in lengths over 30'-0"
- ✓ Full line of trim flashings and accessories available
- ✓ Orders under 10 squares will have a \$65 small order charge

## RESIDENTIAL DESIGN GUIDE TOOLS

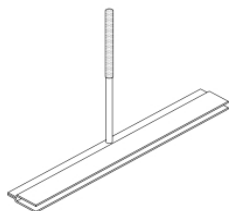

### Tools needed for the installation of residential flashings

20" Dual Bar Folder/Hemmer	PRODUCT NO.			LENGTH	WEIGHT	PRICE / EA
	6531299			20"		INQUIRE

Used to make 3/8" and 1" hems

Hemming Tool	PRODUCT NO.				WEIGHT	PRICE / EA
	6560102					INQUIRE

Used to make 1-1/2" hems on panels

Turbo Shear HD	PRODUCT NO.				WEIGHT	PRICE / EA
	6534899					INQUIRE

Used for cutting panels and trim

Versa Bender - Single	PRODUCT NO.				WEIGHT	PRICE / EA
	6531599					INQUIRE

Used to bend 5/8" to 7" 90 degree bends on straight or curved edges

Versa Bender - Double Station	PRODUCT NO.				WEIGHT	PRICE / EA
	6531699					INQUIRE

Used to quickly bend 5/8" to 7" 90 degree bends on straight edges

Versa Hemmer	PRODUCT NO.				WEIGHT	PRICE / EA
	6531499					INQUIRE

Used to bend 1/2" to 1-1/2" 90 degree bends to 180 degrees

## STANDING SEAM PANELS

### 24" Seam-Loc Profile Information

- ✓ Hidden fastener / clip system for industrial / commercial use
- ✓ Mechanically seamed panel system. [www.msseamers.com](http://www.msseamers.com)
- ✓ 24ga standard (22ga available, please inquire)
- ✓ See color chart for available colors
- ✓ Paint Warranty - Kynar 45 year
- ✓ Manufactured from 50 ksi steel
- ✓ Striations Standard. Flat available with waiver.
- ✓ Oil Canning is not a reason for rejection
- ✓ Minimum recommended roof slope: 1/2 :12
- ✓ Full line of trim flashings and accessories available

29ga	1-5 sheets packaged in tubes with no packaging charge. If skid is requested, add \$35 6-75 sheets packaged on wood skid. Add \$35 for skid charge. 76+ sheets packaged on wood skid. Sheet pricing includes skid charge.
26ga	1-5 sheets packaged in tubes with no packaging charge. If skid is requested, add \$35 6-50 sheets packaged on wood skid. Add \$35 for skid charge. 51+ sheets packaged on wood skid. Sheet pricing includes skid charge.
24ga	1-5 sheets packaged in tubes with no packaging charge. If skid is requested, add \$35 6-35 sheets packaged on wood skid. Add \$35 for skid charge. 36+ sheets packaged on wood skid. Sheet pricing includes skid charge.
22ga & UP	1-25 sheets packaged on wood skid standard. Add \$35 for skid charge. 26+ sheets packaged on wood skid. Sheet pricing includes skid charge.

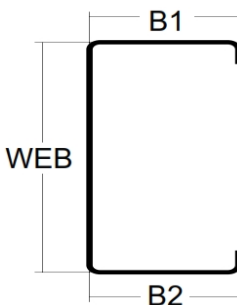

**\*\*NOTICE\*\* All painted flat sheet is manufactured with a clear protective film. Items with protective film installed should be kept out of direct sun light and must be removed prior to product installation.**

Special packaging requests or packaging for LTL / Common Carrier delivery will incur additional charges.

## Structural Products

### CEE Framing Information

- ✓ Formed structural members available in 16, 14, and 12ga.
- ✓ Available from 4" to 12" web sizes.
- ✓ Available in Red Oxide primer or G90 Galvanized finishes
- ✓ Part punching available. Please inquire for offering.

#### NOTES

- Add all dimensions of your desired trim piece, including 1/2" for hems to determine total "stretch out" of material to manufacture shape.
- Choose appropriate "Bare" for all unpainted finishes (Galvanized and Galvalume) and PTD for all painted finishes.
- All custom trim shapes must have a dimensioned drawing provided. Please note all angles and painted side.
- 29ga length is 10'-6", 26ga-22ga will be 10'-2".
- Longer lead times may apply to custom trim.
