Organic™ PLANTING TABLETS

Successful Organic Gardening Made Attainable™

Easy-to-Use Instructions

DIG

Dig a hole slightly larger than the root ball of the plant

DROP

Drop tablet in the bottom of the hole and cover with a thin layer of soil

PLANT

Set the plant into the hole and gently pack soil around the roots

WATER

Water carefully to moisten the soil around the plant

How much to use:

Use the size of the plant as a guide to know how many tablets you need

Plant root ball diameter	Number of tablets
Up to 4"	1
Quart (4"- 6")	2
Gallon (7"- 10")	3

FOR BEST RESULTS:

After 30 days, continue feeding plants regularly with Miracle-Gro Organic™ Plant Food

OUR PRODUCT GUARANTEE

Scotts Miracle-Gro No-Quibble Money Back Guarantee™. If for any reason you, the end-user consumer, are not satisfied with the performance of this product, simply submit your proof of purchase and we will happily either refund the purchase price or provide a replacement product (in our sole discretion). Visit miracle-gro.com/refunds for more details.

OUR COMMITMENT TO SUSTAINABILITY

At Miracle-Gro®, we are in the business of beautifying our Earth. That doesn't just mean planting colorful flowers or creating gorgeous landscapes. It also means being thoughtful about what we put in our products. We are committed to creating products that are effective while considering their impact on the environment.

Miracle-Gro Organic™ Planting Tablets 3-7-4
