## Pipe, Drain & Trap Treatment

“Knowing that this company uses non toxic ingredients is a big stress reliever. I have noticed that my bathtub drain has been working much better since using the product and no more backups.”  
E.C.

**MrGreen PDT** is an all natural, organic, micronutrient-based pipe, drain and trap maintenance product. MrGreen helps to clean pipes & drains and accelerates the breakdown of waste while eliminating odours. Use **MrGreen PDT** to maintain a healthy drainage system throughout residential and commercial buildings. Use the recommended application schedule to ensure a clog-free and odour-free drainage system. MrGreen does not contain bacteria, enzymes, harsh chemicals, alcohol or masking agents and as such is safe for humans, animals, the environment.

### FEATURES & BENEFITS

- All natural, non-toxic, biodegradable
- Safe for all types of pipes
- Maintain clog-free pipes, not a clog remover
- EcoLogo Certified
- Satisfaction guaranteed

### INSTRUCTIONS

#### Shake Well Before Use.
