FEATURES & BENEFITS

- Proprietary patented grain technology produces one of the finest scratch patterns in the industry for a finer looking finish.
- Premium, self-sharpening zirconia alumina abrasive provides superior cut on all surfaces, lasts substantially longer and cuts faster than the next leading competitor in side-by-side comparisons (see below chart).
- Anti-static technology increases dust collection efficiency for cleaner work environment and less clean up.
- Highest productivity yields lowest total abrasive cost.

*Results based on internal testing performed using a stationary belt sander. Performance data reflects cumulative stock removal of hard maple panels.
