### WallSand Sheets – Paper and Screens

- For sanding drywall compound and patching plaster prior to priming. Waterproof screen resists clogging because of its open mesh design. Just rinse and reuse. Paper sheets are the standard economical choice

### WallSand Sponges

- Offered in various styles and grits for sanding of paint & drywall
- Including: single angle, dual angle, corner and extra-large drywall

### MeshPower Disc

- Full ceramic grain provides excellent cut rates
- Mesh backing for optimum dust extraction
- Super scratch pattern
- Hook & loop design ideal for random orbital sanders

### Hook and Loop Disc

- Aluminum Oxide abrasive for ultra-smooth finish of drywall compound
- Anti-clog coating on disc decreases loading and promotes optimal dust collection
- Hook and loop fastening system assures quick and easy disc change

### WallSand Accessories – Drywall Tools

- Lightweight durable design reduces fatigue and extends the life of the tool
- Easy change handle converts from a hand sander to a pole sander for extra versatility
