DISCOVER YOUR SOLUTION™

NEW PRODUCTS FOR 2015  
SUMMER / FALL

# 3-IN-1 LED MINI FLASHLIGHT

Remember: good things come in small packages. The 3-in-1 LED Mini Flashlight may fit easily into your pocket, but don't be deceived by its size. This fully featured mini flashlight can illuminate the night as a flashlight, lantern, or safety light. The ultra bright, 80 Lumen flashlight has high and low modes both as a flashlight, and when converted into its lantern mode with a simple sliding motion. The tail end of the light features a red LED safety light with its own switch to set it to glow, flash, or SOS modes.

AVAILABLE COLORS 

- + Flashlight, lantern, & safety light in one
- + Has 7 modes—flashlight: high & low, lantern: high & low, safety light: glow, flash, and SOS
- + Machined aluminum body with lanyard loop
- + 1 AA battery included

NL1A-10-R7

# 3-IN-1 LED FLASHLIGHT

You've come to expect more from Nite Ize, that's why the 3-in-1 LED Flashlight gives you power, durability and three different types of illumination with seven different modes, all in one tough package. This rugged, machined aluminum light can be converted from a flashlight, to a lantern with a simple sliding motion, or can be easily switched into safety light mode. The intensely bright, 250 Lumen flashlight has high and low modes both as a flashlight and when converted into its lantern mode. The tail end of the light features a red LED safety light with its own switch to set it to glow, flash, or SOS modes.

AVAILABLE COLORS 

- + Flashlight, lantern, & safety light in one
- + Has 7 modes—flashlight: high & low, lantern: high & low, safety light: glow, flash, and SOS
- + Machined aluminum body with lanyard loop
- + 3 AA batteries included

NL31-01-R7

# 3-IN-1 FLASHSTICK™

When you need to see and be seen at night, the 3-in-1 LED FlashStick is the solution for you. The bright 60 Lumen flashlight can be quickly converted into lantern mode with a simple sliding motion to illuminate your surroundings. The light can be set to high or low modes as both a flashlight or a lantern. On the other end of the machined aluminum body, a prominent, colorful LED glowstick allows you to easily signal or direct as needed, and can be a life saver during nighttime emergencies. The Glowstick control button allows for three different modes: glow, flash, and SOS.

AVAILABLE COLORS 

- + Flashlight, lantern, & glowstick in one
- + Has 7 modes—flashlight: high & low, lantern: high & low, glowstick: glow, flash, and SOS
- + Bright LED glowstick available in varying colors for signaling: Black body/Red LED, Red body/Red LED, Blue body/Blue LED, Green body/Green LED
- + 1 AA battery included

# STEELIE® DESK & DASH SYSTEM

The Steelie Desk & Dash System allows you to magnetically mount your phone for easy hands-free viewing, at home, at work, or on the go. The kit contains a Steelie Magnetic Phone Socket, a Steelie Vent Ball Mount, and a Steelie Tabletop Stand. The Magnetic Socket attaches to the back of your phone (or case), and features a flexible silicon center which allows it to articulate smoothly and securely. The Vent Ball Mount is a portable, versatile mount that securely clips to most vehicle vents, and is just as easy to unclip, so it can be used in multiple vehicles. The round shape of the vent ball allows for radiant positioning options, so you can tilt your phone to any viewing angle. The Tabletop Stand creates a functional pedestal for easy viewing of your phone anywhere a flat surface is readily available.

- ⊕ **Contains: Steelie Magnetic Phone Socket, Steelie Vent Ball, and Steelie Tabletop Stand**
- ⊕ **Vent Ball attaches to and detaches from most vehicle vents without tools**
- ⊕ **The Steelie Magnetic Phone Socket uses 3M® VHB™ adhesive for secure, semi-permanent attachment to the device or case**

STPVC-11-RB

# STEELIE® HOBKNOB™ KIT FOR SMARTPHONES

With smartphone designs growing bigger by the day, the Steelie HobKnob Kit provides a better way to hold and display your phone using ingenious Steelie mounting technology. By simply adhering the Steelie Magnetic Socket to the back of any phone (or case), the HobKnob handle can then magnetically attach in a snap to create an ergonomic handle or mini stand for your device. The handle is a specially engineered aluminum knob topped with a grippy rubber ball that keeps it from sliding when being used as a stand for your device. As easy to detach as it is to snap on, the HobKnob Handle fits easily into a pocket or bag to be as mobile as you are.

- ⊕ **Contains: Steelie Magnetic Phone Socket and Steelie HobKnob Handle for Smartphones**
- ⊕ **The Steelie Magnetic Phone Socket uses 3M® VHB™ adhesive for secure, semi-permanent attachment to the device or case**
- ⊕ **Compatible with other Steelie system components**
- ⊕ **High quality 6061 machined aluminum handle**

STHMK-M1-RB

# STEELIE® VENT MOUNT KIT

The Steelie Vent Mount Kit allows you to attach any smartphone to the blade of nearly any vehicle vent, keeping your phone handy and hands-free in any vehicle. It consists of two simple components: 1) Steelie Magnetic Phone Socket that adheres semi-permanently with 3M® VHB™ foam adhesive, either to the back of your case or to the phone itself, and 2) versatile Steelie Vent Ball Mount that securely clips to most vehicle vents, and is just as easy to unclip, so it can be used in multiple vehicles.

- ⊕ **Steelie Vent Ball Mount has a cast aluminum body, a cam locking lever that securely grips the device to the blade of nearly any vehicle vent and incorporates a stainless steel ball that connects to the Steelie Magnetic Phone Socket**
- ⊕ **Clip & Go—Steelie Vent Mount features an easy-to-use universal clip that attaches & detaches from nearly any vehicle vent—no tools required**
- ⊕ **Steelie Magnetic Phone Socket features a powerful neodymium magnet and silicon center to provide a strong grip and smooth glide on the Steelie Vent Ball Mount**

STVK-11-RB

# STEELIE® PEDESTAL KIT

FOR SMARTPHONES

The Steelie Pedestal Kit for Smartphones creates a functional pedestal for your smartphone for convenient viewing at any angle. Simply place the Steelie Tabletop Stand on any smooth, flat surface—attach your smartphone, fitted with the Steelie Magnetic Phone Socket, and the two pieces magnetically connect to create a viewing platform. This secure, smooth connection allows for convenient viewing at any angle. Lightweight and portable, the Steelie Pedestal Kit for Smartphones is a great companion—excellent at your desk, at a conference table, kitchen counter or nightstand.

- ⊕ **Steelie Magnetic Phone Socket features a powerful neodymium magnet and silicon center to provide a strong grip and smooth glide to the Tabletop Stand**
- ⊕ **The Steelie Magnetic Phone Socket uses 3M® VHB™ adhesive for secure, semi-permanent attachment to the device or case**
- ⊕ **The top of the stand features a steel ball which magnetically engages the Steelie Magnetic Phone Socket to create the complete Steelie Pedestal Kit for Smartphones**

STMPK-11-R8

# STEELIE® HOBKNOB™ COMPONENT

FOR SMARTPHONES

The HobKnob for Smartphones is perfect for the person who has another Steelie product in their collection, and has the Magnetic Phone Socket installed on their device already. The HobKnob component will snap right on to become a quick, portable handle or stand for your phone. The handle is a specially engineered aluminum knob topped with a grippy rubber ball that keeps it from sliding when being used as a stand for your device.

- ⊕ **Contains: Steelie HobKnob Handle for Smartphones**
- ⊕ **Compatible with Steelie Magnetic Phone Socket**
- ⊕ **High quality 6061 machined aluminum handle**

STHM-M1-R7

# STEELIE® VENT BALL MOUNT COMPONENT

The Steelie Vent Ball Mount Component is a brilliant solution to keeping your smartphone secure and visible when you're in the car—any car. This component is perfect for anyone who wants to use their Steelie in multiple vehicles or who already has the Steelie Phone Socket on their phone. The Steelie Vent Ball Mount has a cast aluminum body, a cam locking lever that securely grips the blade of nearly any vehicle vent, and incorporates a stainless steel ball that connects to the Steelie Magnetic Phone Socket.

- ⊕ **Contains: Steelie Vent Ball Mount**
- ⊕ **Perfect to take with you when traveling**
- ⊕ **Universally connects to the blade on nearly any vehicle vent**
- ⊕ **Compatible with the Steelie Magnetic Phone Socket**

STVM-11-R7

# STEELIE® TABLETOP STAND COMPONENT

Already have a Steelie product and love it? No need to buy a full new kit to add the Steelie Tabletop Stand to your collection. Simply pick up the individual component and it will work with the Magnetic Phone or Tablet Socket on your device. The Tabletop Stand creates a functional pedestal to dock your device for convenient viewing at any angle. This two-piece pedestal is comprised of a durable plastic base with silicon grips and a machined aluminum pedestal fitted with a steel ball that creates a secure, smooth connection with the Magnetic Phone Socket.

- ⊕ **Compatible with Steelie Magnetic Phone and Tablet Sockets**
- ⊕ **Aluminum pedestal with Steel Ball for smooth articulation with your Magnetic Phone or Tablet Socket**
- ⊕ **Silicon grip base for stability**

STP-11-R8

# STEELIE® CONNECT® CASE SYSTEM

FOR iPhone® 6 & iPhone® 6 PLUS

The Steelie Connect Case System is the ultimate in portability and protection. Made of high-grade, shatterproof Lexan® polycarbonate, the Connect Case for iPhone 6 and 6+ offers serious protection from everyday wear and tear. Its innovative flex-hinge design makes insertion and removal from the case easy, and the two interchangeable Connect Bases offer versatile portability and convenient attachment options. Attach the Connect Clip to the case and clip it to your waistband, pocket, or belt. In the car, use the Steelie Connect Magnet Base and attach your phone onto the included Steelie Vent Ball Mount, which clips easily onto the blade of nearly any vehicle vent. The round shape of the Vent Ball allows for radiant positioning options, so you can tilt your phone to any viewing angle.

- ⊕ **Contains: Connect Case for iPhone 6 or iPhone 6+, Steelie Vent Ball Mount, Connect Magnet Base, and Connect Clip**
- ⊕ **Protective shatterproof Lexan® polycarbonate Connect Case**
- ⊕ **One-piece flex hinge in Connect Case allows for easy & secure iPhone installation**

STCNT16-01-R8

# CONNECT® CASE

FOR iPhone® 6 & iPhone® 6 PLUS

The streamlined, lightweight Connect Case for iPhone 6 and 6+ is constructed of high grade, shatterproof Lexan® polycarbonate that offers dependable protection for your phone. The soft-touch feel and positive diamond grip pattern make it secure and comfortable to hold, and an innovative flex-hinge makes insertion and removal from the case quick and easy. The Connect Clip allows for convenient accessibility. It's the ultimate in sleek protection for your iPhone.

AVAILABLE COLORS

- ⊕ **Innovative one piece flex-hinge design allows for easy and secure installation**
- ⊕ **High strength Lexan® polycarbonate construction provides durability**
- ⊕ **Removable Connect Clip for versatility and slim-line functionality**

CNT16-10-R8

# CLIP CASE CARGO™

DOUBLE WIDE HOLSTER

NEW SIZE

To meet the demands of ever growing smartphones, the Clip Case Cargo Double Wide Holster is super-sized to fit even the largest iPhone and Samsung models on the market with or without a case. With a bonus front pocket, this holster doesn't skimp on storage space for additional everyday items. Made of extremely durable ballistic material, the tough Clip Case Cargo Holster, absorbs shocks and shields from the elements. The Nite Ize patented flex-clip attaches securely over and under your belt, fully rotates for access at any angle, and even locks in eight different positions. Featuring internal pockets and an integrated pen loop, this ultra-functional mobile device case also holds your smaller items like ID, cash, and credit cards for extra convenience. To top it all off, we've added the Tooth Ferry™ feature to keep your wireless headset or headphones safe and accessible.

- ⊕ **Modified lid for full phone protection**
- ⊕ **Ultra secure hook & loop lid closure**
- ⊕ **Internal & external pockets hold credit cards, ID, currency, and more**
- ⊕ **Rotating flex-clip fits waistbands, belts, or straps up to 2.4"**

CCC2W-01-R3

# CLIP CASE CARGO™

EXTRA TALL HOLSTER

NEW SIZE

As smartphones seem to grow bigger by the day, their bigger, beautiful displays call for proper protection. The convenience and durability of the popular Clip Case Cargo is re-designed to accommodate the deluxe dimensions of large-screen smartphones with or without a case. Made of extremely durable ballistic material, the tough Clip Case Cargo Holster, absorbs shocks and shields from the elements. The Nite Ize patented flex-clip attaches securely over and under your belt, fully rotates for access at any angle, and even locks in eight different positions. Featuring internal pockets and an integrated pen loop, this ultra-functional mobile device case also holds your smaller items like ID, cash, and credit cards for extra convenience. To top it all off, we've added the Tooth Ferry™ feature to keep your wireless headset or headphones safe and accessible.

- ⊕ **Modified lid for full phone protection**
- ⊕ **Ultra secure hook & loop lid closure**
- ⊕ **Internal pocket holds credit cards, ID, currency, and more**
- ⊕ **Rotating flex-clip fits waistbands, belts, or straps up to 2.4"**

CCCXT-01-R3

# CLIP CASE SIDeways™

XXL HOLSTER

NEW SIZE

Made of durable ballistic material to protect from impacts, and accented with weather-resistant, rugged hypalon material, this case is designed to keep even the largest phone safe and at-hand on your belt, in a fixed horizontal position. Your phone stays secure with a durable hook and loop lid closure, and an interior pocket provides a handy place to store ID, credit cards, or cash. Perfect for rugged work or play environments of nearly every kind.

- ⊕ **New XXL size designed to accommodate even the largest phones on the market, with or without a form fit case**
- ⊕ **Ultra secure hook & loop lid closure**
- ⊕ **Internal pocket holds credit cards, ID, currency, and more**
- ⊕ **Rugged flex-clip fits waistbands, belts, or straps up to 2.1"**

CCS2L-01-R3

# CLIP CASE EXECUTIVE™

XXL HOLSTER

NEW SIZE

From the materials used to the method of construction, the Clip Case Executive Holster XXL is made with attention to every last detail, to confidently attach even the largest smartphone securely at your belt. The case is constructed with an exterior of the highest quality black genuine leather, finely stitched and lined with a soft, non-scratch interior. Durable hook & loop closure keeps your phone safe and secure, and its super strong clip fits on belts up to 2.1" wide. Most importantly, this cell phone case has a slim, low profile that makes it appropriate to wear to big investor meetings, casual Fridays, and everything in between.

- ⊕ Hook & loop lid closure
- ⊕ Genuine black leather design
- ⊕ Internal pocket holds credit cards, ID, currency, and more
- ⊕ Rugged flex-clip fits waistbands, belts, or straps up to 2.1"

EHL2L-17-R9

# POWERKEY™

MINI POWER CORDS

USB ports seem to be everywhere, yet somehow that connecting cord is always missing, or inconveniently tangled in the bottom of your bag right when you need to charge or sync. The Nite Ize PowerKey (in Apple Lightning and Micro USB options) is here to save the day! Sleekly designed from durable aluminum and made to attach to your keychain or slide easily into a pocket, the PowerKey is meant to go wherever you do. Simply pop open the protective cover, slide out the cord, plug in, and recharge.

AVAILABLE COLORS

- ⊕ Official Apple® Lightning™ Cord compatible with Apple devices that use Lightning charger
- ⊕ Micro USB compatible with most electronics that use USB chargers
- ⊕ Protective cap with secure cord attachment
- ⊕ Durable aluminum shell with split ring attachment

PKYU-03-R7

# FINANCIALTOOL™

WALLET & MULTI TOOL

Where innovation and efficiency meet: the stainless steel FinancialTool just redefined what it means to be a wallet. This 7-in-1 multi tool can be a wrench, screwdriver, bottle opener, ruler, scraper, and securely hold your cash and cards without breaking a sweat. Don't be deceived by the sleek look of the cash wrap strap—the high-tensile strength strap is strong enough to handle even your biggest payday. Forged from heat-treated stainless steel, this wallet won't bend, won't break, and will never let you down.

AVAILABLE COLORS

- ⊕ 7-in-1 multi tool includes: Cash Wrap strap, scraper, bottle opener, wrenches, flathead screwdriver, phillips screwdriver/tape cutter, metric & imperial ruler
- ⊕ Secure and comfortable
- ⊕ Lightweight, low-profile design

FMT-11-R7

# BETTERBAND™

ADJUSTABLE STRETCH BANDS

The endlessly useful BetterBand is made from stretchy, durable TPU material and features a KnotBone Cord Lock for quick size adjustments. With a thin, flat shape and grippy waterproof material, it can do everything a rubber band does, but better!

The BetterBand comes in a variety of sizes that can be customized even further by sliding the KnotBone Cord Lock into position. From an impromptu cord organizer, to a water bottle-leash, to a suitcase-saver, there's no bundling, hanging, or fixing job too big or too small. It's not just the better band, it's the best.

AVAILABLE COLORS

- ⊕ Available in packs of two in 5", 12", 19", & 25" sizes for tasks of any size
- ⊕ KnotBone Cord Lock included for limitless size adjustment
- ⊕ Grippy material and flat shape for easy bundling of just about anything
- ⊕ 100s of uses
- ⊕ Stretches 2X its length

5" Size	12" Size	19" Size	25" Size

# GEAR TIE®

LOOPABLE TWIST TIE

The Gear Tie Loopable Twist Tie allows you to cinch, loop, twist, store, and hang tools or gear for convenient storage and access. The integrated sturdy loop on one end of the Gear Tie allows you to create the exact sized loop you need to cinch, or hang any item from a hook, rod, strap, bracket, or D-Ring simply by threading the other end through it and pulling tight. The possibilities are as endless as the number of tools, devices, cords, lights, bags, and supplies it can organize, hang, connect, attach, and carry for you.

AVAILABLE COLORS

- ⊕ Available in 6", 12" and 24" lengths
- ⊕ Tough rubber shell provides excellent grip and a strong wire inside holds its shape
- ⊕ Cinch it, loop it, twist it, tie it, reuse it—Gear Ties!

# GEAR TIE®

MOUNTING DOCKS

The Gear Tie Mounting Docks are individual, mountable docks that are specifically designed to securely hold either our Gear Tie Loopable Twist Ties, or our standard Gear Tie Reusable Rubber Twist Ties to create a customized storage and organization system for your tools & gear. Made of durable polycarbonate, each Dock features a grooved V-shaped opening that securely grips the flexible Gear Tie. Docks can be mounted to a wall stud, or multiples onto a board. Keep single essentials stored where you need them, or mount several Docks to create your own customized, versatile rack.

- ⊕ Available in two sizes: Small (fits 6" and 12" Gear Tie Loopable, or 6" and 12" Gear Ties), and Large (fits 24" Gear Tie Loopable or 18", 24", 32" and 64" Gear Ties); sold in packs of 4
- ⊕ Simply mount the Dock to any wall stud or other desired location with the included (8) #8 x 2" screws to create a docking location
- ⊕ Use multiple Docks to create a complete wall system for your garage or workspace

GLPS-01-4R7 + GLPL-01-4R7

# INFINI-KEY® XL™

CARABINER KEY RING

NEW SIZE

Everyone's favorite Infini-Key just got a big brother—the Infini-Key XL, now super-sized for the person who likes to carry their life on their keychain. The refined simplicity of the Infini-Key alleviates the struggle everyone has with traditional, frustratingly snug, split key rings. It keeps your keys handy and allows you to easily isolate and remove any one of them. Just slide the key you need to the narrowed top - the neck of the Infini-Key keeps your other keys from following—and unlock the simple carabiner clip to remove. The carabiner can also be used to attach the Infini-Key to a belt loop, backpack, or second key ring, keeping your keys secure and handy wherever you go.

- ⊕ Unique stainless steel construction and shape allows easy access to, and removal of keys
- ⊕ Carabiner clip for secure attachment
- ⊕ Multiple sizes to meet all your key-holding needs

KICL-11-R3

# DOOHICKEY™ CLIPKEY™

A multi tool is only as useful as it is accessible - and what's more accessible than your key chain? Weighing in at just one ounce, the durable stainless steel Doohickey ClipKey is pound-for-pound the most useful thing to carry on your everyday key chain. This mini multi tool clips easily to your key chain, backpack, or anywhere else handy, and offers problem-solving all day with its screwdriver head, scoring point, serrated edge, and of course, a bottle opener. All the Doohickey products are travel and airport friendly, and because of their endless uses, are endlessly useful!

AVAILABLE COLORS 

- + 5-in-1 multi tool includes: carabiner clip, bottle opener, serrated edge, scoring point, slotted or #2 phillips screwdriver
- + Durable stainless steel construction
- + Travel & airport friendly

KMTCK-01-R3

# DOOHICKEY™ 6x KEY TOOL

Made of durable stainless steel and designed with a carabiner clip for easy attachment to almost any key ring, one end of the Doohickey 6x Key Tool is engineered to work as a scraper, tape cutter, and scorer; the other end serves as a flat-head screwdriver and pry tool (perfect for opening paint cans). The outer edge is scored as a ruler in both inches and centimeters, the opposite side features a bottle opener, and the interior is ridged to provide 3 wrench sizes. Best of all, the Doohickey 6x Key Tool is airport friendly, so you can take it with you and keep it at hand wherever your travels take you.

- + Key-sized multi-tool, with carabiner clip, that easily attaches to an existing key chain
- + Secure stainless steel construction
- + Travel and airport friendly

KMTP-11-R3

# CAMJAM® XT™ ALUMINUM ROPE TIGHTENER

NEW SIZE

The CamJam XT Aluminum Rope Tightener features Nite Ize signature, knot-free CamJam tightening and tensioning technology. The CamJam XT Large features a carabiner clip and gate on one end, and a rotating cam mechanism on the other. This rugged combination allows for tightening, tensioning, connecting and securing serious loads up to 500 lbs.

- + CamJam XT Large secures loads up to 500 lbs, has a break strength of 1500 lbs, and fits ropes from 1/8"-3/8"
- + Safe, easy-to-use and release cam mechanism
- + Suggested for use with solid braided rope

NCJLA-01-R3

# SLIDELOCK™ CARABINER #6

NEW SIZE

The SlideLock Carabiner provides handy attachment with secure closure. It's the classic carabiner with a Nite Ize twist! We designed an innovative slide-to-lock feature that closes securely with a simple push and slide movement, and unlocks when you want it to just as easily. Then, instead of a bulky tubular construction, we designed a cross sectioned, rectangular stainless steel body that's durable, low profile, strong, and slim; it feeds more easily through smaller openings and rests flat in pockets.

AVAILABLE COLORS

- + Stainless steel utility carabiner with ultra-secure locking gate closure
- + New #6 size available for securing larger items
- + Durable stainless steel construction

CSL6-01-R6

# NITEHOWL™

LED SAFETY NECKLACE

The NiteHowl LED Safety Necklace is adjustable to keep our four-legged friends of all sizes safe and visible in the dark. This weather-resistant, durable safety necklace is made with a flexible polymer tube, and is illuminated 360° by two bright red LEDs. It has glow and flash modes, and simply clips around your dog's neck for hours of nighttime fun and safety. As fun as this product is, the best part about the NiteHowl is that it keeps you and your furry friends seriously safe on those after-hours walks and campsite moon-howling sessions.

- ⊕ **Universal sizing cut to fit from 12"-27"**
- ⊕ **Flash & glow modes to differentiate between dogs at night**
- ⊕ **Battery run time: 60 hours**
- ⊕ **3 x 1154 3V replaceable Alkaline batteries included**

NHO-10-R3

# NITE DAWG™

LED LIGHT UP DOG COLLAR XS

NEW SIZE

Designed especially for the extra-small canine set, the XS Nite Dawg LED collar is the answer to every night-loving dog owner's problem: keeping sight of their littlest best buddy after sundown. Made from durable tubular nylon webbing with a flexible light-transmitting polymer core, the XS Nite Dawg is as practical as it is fun. Switch it on, and the entire collar is illuminated by a super-efficient red LED that can be seen from up to 1000 feet away. With two settings to choose from—flash or steady glow—the XS Nite Dawg is powered by a long-life, easily replaceable battery.

AVAILABLE COLORS 

- ⊕ **Fits neck sizes 8"-12"**
- ⊕ **Flash & glow modes to differentiate between dogs at night**
- ⊕ **Glow mode battery run time: 100 hours, Flash mode battery run time: 120 hours**
- ⊕ **Easily replaceable 1 x 2032 3V Lithium battery included**

NND-03-33XS

# LED RUN VEST™

The LED Run Vest is made of lightweight, water-resistant mesh, and its two illuminated flexible polymer strips (front & back) can each be set to one of two bright LED modes (steady glow or flash), and the sides are trimmed with passively reflective fabric for additional visibility and safety. The power/mode buttons are easily accessible on the front and back of the vest, and easily adjustable straps at the waist can be cinched for a precise fit. Two zip closure pockets in the back are individually sized to hold everything you need for your run, with one of the back pockets featuring a weather-resistant design to keep your cell phone or other valuables safe if you get caught out in the rain.

- ⊕ **Two sizes available—S/M & L/XL**
- ⊕ **Battery run time: 100 hours**
- ⊕ **Easily replaceable 2 x 2032 3V Lithium batteries included**

LRVL-33-R8

# SLAPLIT™

LED SLAP WRAP

REDESIGNED FOR 2015

Remember slap bracelets, from when you were a kid? The Nite Ize SlapLit features that same “slap it to snap it” technology with an added dimension of LED illuminating functionality. Made of durable nylon patterned with a reflective spider web design, the SlapLit is powered by a bright, easy-to-activate LED that lights up the entire wrap. Turn it on, slap it on your wrist, upper arm, or ankle (or any tubular-shaped object, for that matter), and you’ve got instant nighttime visibility. Lightweight and durable, the SlapLit is perfect for after-dark activities. Use and reuse countless times for endless fun and safety.

AVAILABLE COLORS

- ⊕ High visibility reflective pattern
- ⊕ Battery run time: 100 hours
- ⊕ Easily replaceable 1 x 2032 3V Lithium battery
- ⊕ Illuminated by bright red, easy-to-activate LED

## STS™ BIKE LIGHT

142  
MAX LUMENS

The INOVA STS Bike Light from Nite Ize is the first ever center mount, multi-mode, waterproof bike light with Swipe-To-Shine technology. With its center mount bar location and simple activation, operating the INOVA Swipe-To-Shine Bike Light is easy, secure and versatile. Mounted with a durable UV resistant elastomer that securely grips to your bike, the STS Bike Light attaches with a quick pull-and-lock movement right between the handlebars (no tools required) on nearly any bike. The brilliant LED is housed in an impact-resistant, waterproof polycarbonate bracket, and operates in multiple modes and two colors (white or red). It’s activated by a quick swipe of the finger across the top of the light in 5 light modes: high, variable dim, medium, strobe and lockout mode. Mount a second INOVA STS Bike Light to your seat post and set it to red flash mode to be clearly visible to others from all directions.

AVAILABLE COLORS

- ⊕ Universal design fits most bike handlebars or seat posts—no tools required
- ⊕ Easily replaceable 3 x AAA Alkaline batteries included

## STS™ HELMET LIGHT

142  
MAX LUMENS

The INOVA STS Helmet Light from Nite Ize is the first multi-mode, lightweight, impact-resistant, waterproof polycarbonate helmet light with Swipe-To-Shine technology. Housed in a waterproof, impact-resistant, polycarbonate body, with two LED colors (white or red) and multiple modes, the INOVA STS Helmet Light is activated by a simple swipe of your finger across the top of the light in 5 light modes: high, variable dim, medium, strobe and lockout mode. Featuring a versatile base mounting bracket, you can either mount the Helmet Light by attaching the foam-backed base with the included strap through your helmet vents, or use the included 3M® VHB™ tape to semi-permanently adhere the base to your helmet’s smooth surface. Once in place, the STS Helmet Light can be adjusted to different angles, allowing you to fine-tune beam direction as needed.

- ⊕ Universal design fits most vented or solid helmets—no tools required
- ⊕ Easily replaceable 3 x AAA Alkaline batteries included
- ⊕ Durable, waterproof construction
