Rust-Resistant

Get the look that matches your space by pairing our kit with the material you would like to use. Our louver system works with 5 1/2" wide wood, glass, or vinyl panels for your slats (not included).

- Strong, durable, and with an added UV protectant, long-lasting.
- While perfect for conventional uses such as hot tub and pool enclosures, they also work beautifully in creative ways, such as privacy walls, or pergola roofs.

UNDERSTANDING POST CAP SIZES:

When a post cap fits a nominal or dressed post, the post is actually measuring ½" less.

Example: A nominal or dressed 4" x 4" post cap fits a post that actually measures 3 ½" x 3 ½".

When a post cap fits a rough lumber or undressed post, the post size is that actual measurement.

Example: A 4" x 4" rough lumber or undressed post cap fits a post that actually measures 4" x 4".

PRO GATE FRAMES

The versatile design of our gate frame is the perfect way to elevate any backyard entrance. Use with the arch for a classic look, or without the arch for a modern frame. Its tough, galvanized steel construction makes it as long lasting as it is good looking.

GATE FRAME BRACE KITS

Reduce the sagging and dragging of unsupported wooden gates with our high-quality gate kits. Designed with functionality in mind, strong square cornered frame braces create durable gates that'll look great for years.
