

TOTAL FLOOR CARE

A RETAIL PROGRAM

Professional Floor Care Products for Consumers

Nyco's line of professional Floor Care products is specifically designed for consumers. These products offer powerful, professional cleaning results, and are now available in convenient consumer packaging.

Designed to stand up to the toughest soils, flooring surfaces and applications, these floor care products give professional results, appearance, and performance. They represent the latest in technology, are easy to use, and include a comprehensive line of cleaning, finishing, restoration, and stripping formulations for:

- Vinyl Tile Floors
- Linoleum
- No-Wax Floors
- Terrazzo
- Marble Floors
- Wood Floors

Nyco floor care products are packaged for consumers in distinctive blue containers that stand out on the shelf and build brand awareness with repeat sales. High impact graphics direct the customer to the correct product for their particular need. Package directions are in English, Spanish, and French for sale in all 50 states, Canada, and Mexico.

Nyco also offers a **Total Carpet Care Program** with *high performance professional results* for consumers.
