

# J-Hooks

Oatey® J-Hooks are designed to hold and support 1-1/2" – 4" drain, waste or vent (DWV) pipes. The locking finger allows DWV pipes to be held in inverted applications, while the pre-loaded nails make it easy to install including a diagonal nail path for tighter areas. Additional holes allow securing cable ties and other fasteners.

**OATEY J-HOOKS INSTALL QUICKLY, HOLDS PIPE SECURELY IN ANY ANGLE WITH LOCKING FINGER.**

## J-Hooks

| Product Number | Description                              | Carton Quantity |
