

Odor Eliminators

DampRid odor eliminator products eliminate odors, absorb pollutants and freshen the air. Don't just mask odors, eliminate them.

Odor Genie

Odor Genie gives you continuous odor removal for up to 60 days. It eliminates odors, absorbs pollutants and freshens the air with a gentle wild berry scent.

How Odor Genie Works

A solid gel dissipates into the air to neutralize odors and pollutants.

A charcoal layer then absorbs the odors and replaces them with a gentle wild berry scent.

Odor Genie eliminates smoke, kitchen, food, bathroom, trash, diaper, paint, solvent, gasoline and pet odors plus much more. It is designed for 300-sq.-ft. areas and is great for use around the house and basement, in cars, boats, RV's, campers and more.
