AND SAVE!**

SURVIVAL IS THE ONLY OPTION

X SURVIVAL SERIES

Harpoon

This practical outdoor knife with cord-wrapped handle converts to a hunting harpoon for spearing fish, birds and small game in a survival situation. Changes easily from knife to harpoon by slotting a green shaft with the sharp hawkbill end of the handle and tying the knife in, or by threading the accessory blade holder onto a standard broom handle. The hollow handle blade holder also features a storage compartment with removable compass cap. Comes complete with a quality nylon belt sheath. Designed by custom knife maker Jerry Hossom. Patent Pending. Model # HAR-1C

- Specifications**
 Blade: 2.9" / 7.4cm
 Overall Length: 8.25" / 21.0cm
 Steel: 7Cr17 Stainless
 Rockwell-C Hardness: 56
 Handle: 550 Paracord
 Blade Holder: Zytel® Glass-Nylon
 Sheath: Polypropylene
 Weight: 8.9oz / 250g

Blade holder features a compartment under the threaded compass cap for storing fish hooks, line, matches and other survival essentials.

Hawkbill-shaped inletting tool is used to carve a slot for tying the Harpoon onto any green shaft.

THE ULTIMATE OUTDOOR/SURVIVAL TOOLS
