# CERAMIC FLOORING TRIMS

Featuring Edgetek™

**edgetek™**

## CREATING THE PERFECT GROUT LINE

*EdgeTek™ has been engineered to create a perfect grout line by extruding a feature into the product that holds the tile the perfect distance from the reveal along the length of the trim. This allows you to create a perfectly straight grout line that looks great every time.*

Look for the  symbol to select trim featuring Edgetek feature.

## L SHAPE TRIMS

- Provides edge on tiles that eliminates chipping and cracking of tile.
- Allows for straight edge grout line each time on Edgetek trims.
