

32035Q

Compound Nipper

CARBIDE TIPPED
Easily shapes all types of tile
including ceramic and porcelain

COMFORT
Non-slip, ergonomic
comfort grip handle

COMPOUND ACTION
3 times more force
with less effort*

The QEP Compound Nippers offers up to 3 times the power as conventional nippers. They are ideal for making irregular cuts in ceramic and porcelain tile. The Carbide tips provide easy and fast cutting when the needs arises for cutting tile to fit around pipes, columns or odd-shaped objects. Crafted using very durable drop forged steel and comes with comfort grip handles.

*When compared to traditional nippers.
