RENIN INTERIOR DOOR SYSTEMS

WELCOME TO RENIN

Renin is an innovative manufacturer of door systems and hardware for door manufacturers and door fabricators. Renin also manufactures and distributes sliding, bypass and bifold closet doors, room dividers, fabricated glass and decorative mirrors to the residential construction and remodeling markets.

In the 1960s, Renin invented the sliding mirror closet door and that innovation legacy endures with the supply of well-designed and long-lasting products to customers world-wide.

The name Renin is the combination of words that describes the mindset and culture of the company:

REdefining a**ND** **IN**novating' = **RENIN**

On November 1st, 2013, BBX Capital Corporation announced the acquisition of the assets and operations of Renin Corp. Under BBX, the company has been restructured and streamlined to support strategic growth.

Former operation division Home Decor Innovations is now operating as **Renin US LLC**. The former Canadian operating divisions: Kingstar Products, DSH Hardware, Kingstar West and JJ Home Products are now operating as **Renin Canada Corp.**

Under BBX, Renin has strengthened its commitment to innovation and new products in Renin's chosen product categories:

- Mirror & Panel Closet Doors
- European Style Wardrobe Closet Doors
- Framed and Frameless Wall Mirrors & Accessories
- Shower Doors
- Sliding, Bypass, Bifold, Pivot, Pocket, Barn Door and Overlay Door Hardware Components

With manufacturing and distribution centers located in Tupelo, Mississippi (United States), Brampton, Ontario (Canada), and London (England) Renin supplies products to retail and wholesale channels of distribution.

Renin's vision is to create inspiring products and solutions through innovation, expertise and customer focus.
