The 10-63 13 in. Flooring Cutter will easily cut laminate planks up to 12mm thick. The cam mechanism provides smooth, constant cutting pressure for clean cuts while the extended handle gives extra leverage for more cutting power. It's quiet, dust free and electricity free operation means that flooring can be cut on the site of the installation and job cleanups are easier. The 10-63 is perfect for cutting end pieces to be covered with base moldings.
