

F5

Complete Faucet Filter

F5 COMPLETE SYSTEM

Instapure F5 faucet mount filter system attaches easily to kitchen faucets in minutes without using any tools. It delivers high performance, is compact and long lasting and is ideal for home use for drinking water & cooking needs.

CERTIFIED HIGH PERFORMANCE

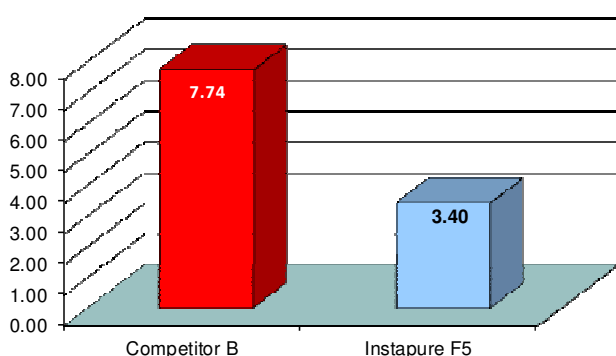

F5 system has been tested and certified by the Water Quality Association to NSF/ANSI 53 for reduction of lead & cysts. It also reduces chlorine taste and odour.

The filter cartridge (model R5) lasts 200 US gal (757L), twice that of the competition. Plus, F5 is highly economical, with cost per litre of filtered water less than half that of competitors.

Cost Per Litre (cents) Competitor B vs Instapure F5

BENEFITS

- Reduces lead, cysts, chlorine, taste and odour
- Easy to install in minutes
- Double the cartridge life of competitors
- Half the cost/L of competitors
- Choice of all-chrome or all-white
