The right solvent can make all the difference.

If you're going to take on your own home improvement projects, you owe it to yourself to have the right tools and products for the job. Instead of running back and forth to the hardware store in search of the right solvents, Recochem has a whole family of solutions specially formulated to take on all of your toughest cleaning, degreasing, and paint stripping projects.

From cleaning oil stained concrete driveways to degreasing tools and engines to stripping exterior window trim covered in layers of old paint, Recochem solvents are definitely the right products to have on-hand in every home.

For a complete list of all the many uses, please visit recochem.com/ca/hundredsofjobs

TOOLS

- Degrease wrenches, chainsaws, lawnmowers and trimmers
- Clean paint brushes, trays and spray guns

TOYS

- Degrease bikes, barbecues, boats, snowmobiles, trailers, automobiles and motorcycles

SURROUNDINGS

- Clean garage floors, siding, concrete driveways and patios
- Strip window and door trim, furniture and decks

The Best of the Best.

Varsol® Paint Thinner

Varsol® Paint Thinner is a pure, **high quality** professional grade cleaner, degreaser and paint thinner formulated to the most exacting standards for the toughest jobs. Varsol® restores your possessions and makes them look new again.

PRODUCT USES

- Thinning oil based paints, varnishes and polyurethanes
- Removing grease, tar and wax from flooring and other surfaces
- Removing grease on automotive parts, tools and garage floors
- Cleaning paint brushes, rollers, paint trays and surfaces

Gentle Yet Effective on Multiple Surfaces.

Mineral Spirits

The Mineral Spirits solvent is **strong** enough to get the job done but gentle and safe on your finishes. Derived from petroleum, this versatile thinner and cleaner has a moderate odour and low flammability making it safer to use indoors on wood, metal, tile and more.

PRODUCT USES

- Cleaning paint brushes and rollers
- Removing grease and wax from flooring
- Removing grease on automotive parts, tools and garage floors
- Cleaning wood, tile, metal and linoleum surfaces

Non-Drip Gel Formula Penetrates Quickly.

Heirloom® MAX Heavy Duty Stripper

Heirloom® MAX Heavy Duty Stripper is a **thick gel-like**, non-drip finish stripper that clings to vertical surfaces and penetrates quickly. This contractor-strength product effectively removes five layers or more of all finishes, glues and adhesives from wood, metal and masonry. It lets you rejuvenate tired, stained or peeling surfaces both inside and outside your home.

PRODUCT USES

- Stripping exterior window and door trim
- Removing paint from exterior brick surfaces
- Stripping walls and vertical surfaces

Premium Product, Superior Performance.

Recordsol Paint Thinner

Recordsol Paint Thinner is a **versatile** and adaptable thinner for cleaning, degreasing or achieving the optimal varnish or paint consistency. It's ideal for clean-up jobs too tough for household cleaners. Recordsol leaves all your surfaces bright and shining.

PRODUCT USES

- Thinning oil based paints, varnishes and polyurethanes
- Removing grease, tar and wax from flooring and other surfaces
- Removing grease on automotive parts, tools and garage floors
- Cleaning paint brushes, rollers, paint trays and surfaces

When the Going Gets Tough.

Lacquer Thinner

Recochem's Lacquer Thinner is an extreme, 'last resort' product that breaks down and **dissolves** thick varnishes and paints, lacquer, oils, grease and other caked on or stubborn adhesive materials. You can use it to dissolve, dilute and clean up basic lacquer items in the house. With Lacquer Thinner, there's new hope for old ground in stains and grease spots.

PRODUCT USES

- Thinning lacquer and automotive coatings
- Removing tar, tree sap and grease
- Removing hardened stains and paint spots
- Removing residue from cements and plastics

For Intricate and Delicate Surfaces.

Heirloom® PLUS Paint Stripper

Heirloom® PLUS Paint Stripper is a **semi-gel** furniture stripper that penetrates intricate surfaces quickly. It effectively removes multiple layers of paint, varnish and stain from wood, metal and masonry. Bring back the natural beauty and workmanship of precious antiques without damaging their delicate surfaces.

PRODUCT USES

- Stripping antique furniture for refinishing
- Penetrating intricate surfaces quickly
- Stripping patio furniture
