Our Story...

Innovation runs deep at Regal Ideas. Over 30 years ago, the company opened its doors with one product line, Regal Aluminum Railing. Today, Regal ideas is the industry leader and has become the largest and most renown brand of aluminum railing in North America and around the globe.

From Inspiration to Innovation to Safety and Durability, Regal Ideas spends an extensive amount of time researching, developing and evolving it's product mix to bring innovative products that inspire homeowners, contractors and architects.

Inspiring Homeowners, One Deck at a Time!

How do we manage to continue to innovate and inspire? We partner with today's most inspiring Celebrity Deck Builder, Paul Lafrance.

"Regal ideas passion for innovation, quality and service are next to none. I have been using the Regal ideas products for many years on my projects, and they still look as good as the first day they were installed. As a homeowner, I appreciate the ease of installation and the low maintenance of the product. From a contractor's perspective I value the reduced amount of time it takes to complete a job." -Paul Lafrance
