- Water-rinsable for easy cleanup

SAVOGRAN

Kwikeeze[®] DCM Free Paint Brush Cleaner

Description

Cleans hardened oil and latex paints, enamels, varnish, lacquer and shellac from natural and nylon bristle brushes.

Directions

Store in cool place. BEFORE USE, read all information on container. Protect eyes with goggles, wear solvent-resistant gloves. Protect skin from splashes.

- Cover bristles with Kwikeeze[®] and soak. As paint softened, open bristles with brush comb or fork to speed action.
- Soak hard paint overnight. Cover container with aluminum foil to slow evaporation. Paint will soften more quickly if solution temperature is 70 - 90°F
- Remove softened paint from heel and core of brush with brush comb. Work brush in Kwikeeze[®] press out dirty cleaner. Rinse with clean water.
- Wash brush in warm water solution of TSP heavy duty cleaner. Work through until bristles are not sticky. Rinse with clean water.
- Shape and straighten wet bristles, wrap brush in paper to conform with original shape and lay flat to dry.
- Pour used Kwikeeze into labeled container, screw on cap and let sludge settle. Clear liquid may be reused.

Important label information

DANGER: EXTREMELY FLAMMABLE – VAPOR HARMFUL. SKIN AND EYE IRRITANT. Before use, always read all information and warnings on container. Safety data sheet available upon request.
