Kutzit[®] DCM Free Paint/Varnish Remover

Description

A liquid stripper suitable for removing paint, varnish, lacquer from horizontal surfaces without harming wood, metal or masonry. Made especially for fine wood and furniture.

Application

Remove multiple layers of paint and varnish without damaging wood, metal and masonry. One gallon of remover covers approximately 100 square feet of surface area. Kutzit[®] is easily removed with coarse cloth and paint thinner.

Directions

Brush on remover in one direction only. Allow remover to work for 15 minutes or more. Scrape test to see if finish is softened to base. If not, wait 15 minutes longer and re-test. Be patient and let the remover do the work. Remove sludge with scraper. Use nylon stripping pad and coarse rags to thoroughly wash off residue from stripped surface with paint thinner.
