SOUTH BEND'S READY2FISH COMBOS

The original all-in-one fishing kit just got better! We've redesigned our Ready2Fish kits to include:

TRICOR ROTOR

Our Tricor rotor has been engineered to provide the best possible balance, as well as greater strength and stability to increase reel life and keep you on the water longer. Comes standard on all Ready2Fish spinning combos.

South Bend's new Ready2Fish tackle box is lighter, sleeker and easier to handle, while still containing everything you need to start fishing. Our exclusive Easy Transport System ensures secure closure, and the patented design is still the only tackle box that clips on and off the rod for easy carrying and storage. All contents fully comply with lead laws in all 50 states.

Improved Instructions
