

Rustproof Ratcheting Multi-Purpose Hose & PVC Cutter

Compound ratchet action multiplies normal hand pressure and reduces user fatigue. The handle is molded from a strong but lightweight engineered fiberglass reinforced polymer with all internal parts and pivots made of stainless steel for long life. 1-5/16" OD, 30mm capacity to handle up to 1" nominal plastic pipe. Made in USA.

- **Completely rustproof**
- **Ratchets completely closed in 4 pulls of the handle: cuts faster**
- **Hardened stainless steel blade keeps blade sharp longer**
- **Replaceable blade**
- **Ergonomic handle reduces hand fatigue**
- **Lightweight design, only 10 ounces**
- **Made in the USA**

Lifetime Guarantee
(Excluding Blade)
