

PROLINE

CHEMICAL & PLASTICS

Santeen has been offering superior cleaning products to consumers for more than 70 years. The unique formulations and concentrated strength give our products the ability to perform when other products fail.

Santeen S-T Drain Opener

A unique formula of concentrated virgin sulfuric acid that is more powerful and safer than other drain openers. S-T operates at a lower heat, yet quickly dissolves grease, diapers, cigarette butts, hair, etc. S-T is friendly to PVC pipes and septic systems and it will thaw frozen pipes.

Mfg Part #	Description
200	Quart (32 oz.)
210	Half Gallon (64 oz.)

Santeen Toilet Bowl Cleaner/Delimer

A unique formulation of hydrochloric acid that will remove rust, lime and scale buildup on toilets, humidifiers, water coils, refrigeration units, air conditioners, boilers, lines and valves. It will restore that glossy look to toilets while freeing rim holes, jets and traps of lime and rust.

Mfg Part #	Description
100	Quart (32 oz.)
400	Acid Resistant Toilet Bowl Mop

Santeen Chrome & Tile Cleaner

A unique formulation of phosphoric acid in an industrial strength formula that is effective for cleaning brick, chrome, stainless steel, enamel, tile, brass, copper, porcelain and shower doors.

Mfg Part #	Description
320	22 oz. w/ sprayer

Santeen Hair & Grease Clog Remover

A non-acid formulation of sodium hydroxide and potassium hydroxide. It creates heat to melt grease and dissolve hair. It is safe for PVC/metal.

Mfg Part #	Description
700	Quart (32 oz.)
710	Half Gallon (64 oz.)

Lye Crystal Drain Opener

A professional strength chemical that will dissolve hair, soap scum, grease, coffee grounds, bone scraps and rinds. Lye Crystal Drain Opener is for drain opening and maintenance (Liquid to Open, Crystals to Maintain). It is triple sealed for store safety, and contains 99% Sodium hydroxide and 1% inert ingredients.
