SCHLAGE

Be
stately.

Be
playful.

Be
serene.

Whatever you want your home to be, it all starts with being inspired.

Not just by products, but possibilities.

With a range of styles available, Schlage allows you to choose door hardware that reflects the architectural and interior design themes of your home.

TRUSTED IN OVER
40 MILLION
HOMES

They call it **classic** for a reason.

Traditional style is rooted in the past and is focused on comfort, familiarity and romanticism.

It hails from 19th century European design and encompasses the Georgian, Federal and Victorian movements.

Camelot handleset in Satin Brass

Anything but a
compromise.

Transitional style is adaptable yet ever evolving, borrowing trends and fashions from design movements throughout history.

It stems from a movement focused on blending design styles and eras, a concept that became popular in American homes around the mid-1940s and has carried through to present day.

Addison handleset in Matte Black

Forward **looks** for forward-thinkers.

Contemporary spaces rely on the simplicity of color and shape to provide their aesthetic appeal, rather than elaborate design.

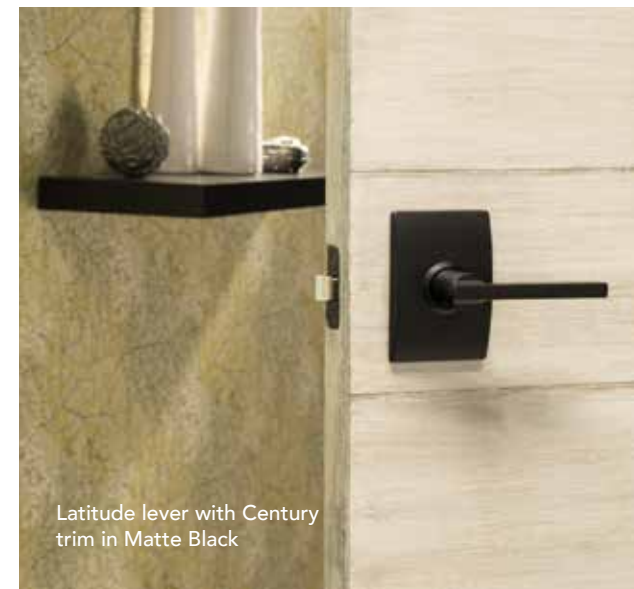

It is focused on clean lines and basic shapes, all made popular throughout the design movements of the late 20th century.
