SIMPLE STEPS FOR SUCCESS

PREP

Rake area to loosen the top layer of soil and remove any dead grass. For best results, add a thin layer of **Scotts® Turf Builder® LawnSoil™** before applying seed.

APPLY

Use a Scotts® spreader to apply the seed. Lightly rake the seed into the soil. For best results, apply **Scotts® Turf Builder® Starter® Food for New Grass** when seeding to help new grass grow in quicker and thicker.

SPREADER SETTINGS	RESEEDING	NEW LAWN / BARE SPOT REPAIR
Scotts® Hand-Held Spreaders	5*	5**
Scotts® Broadcast / Rotary Spreaders	11 ½	11 ½*
Scotts® Drop Spreaders	18*	18**

*Go over lawn twice **Go over lawn four times

WATER

Water daily or as needed to keep the soil surface moist until the seedlings reach at least 2 inches tall.

Contents Made with Mother Nature in Mind

- Made with Renewable Resources
- 100% Biodegradable
- Kid & Pet Friendly when used as directed

Freshness Matters

Scotts goes to great lengths to bring you the freshest seed available, so you can grow your own thick, beautiful lawn. For best results, always use fresh product. After opening, plant within the season. Store in a cool, dry place.
