SIMPLE STEPS FOR SUCCESS

PASOS SIMPLES PARA UN SEMBRADO EXITOSO

PREP

Rake area to loosen the top layer of soil and remove any dead grass. For best results, add a thin layer of **Scotts® Turf Builder® LawnSoil™** before applying seed.

PREPARE

Rastrille el área para aflojar la capa superior de tierra y retirar el césped muerto. Para obtener mejores resultados, agregue una capa delgada de **Scotts® Turf Builder® LawnSoil™** antes de aplicar la semilla.

APPLY

Use a Scotts® spreader to apply the seed. Lightly rake the seed into the soil.

For best results, apply **Scotts® Turf Builder® Starter® Food for New Grass**.

APLIQUE

Utilice un esparcidor Scotts® para aplicar la semilla. Rastrille levemente para enterrar las semillas. Para obtener mejores resultados, aplique el fertilizante **Scotts® Turf Builder® Starter® Food for New Grass**.

WATER

Water daily or as needed to keep the soil surface moist until the seedlings reach at least 2 inches tall.

RIEGUE

Riegue a diario o según sea necesario para mantener la superficie del suelo húmeda hasta que las plantas de semillero alcancen por lo menos 5 cm de alto.

The watersmart PLUS Advantage™

Scotts® Turf Builder® Grass Seed is specially designed with our exclusive WaterSmart® PLUS Coating Technology to help ensure that you are successful when growing new grass from seed.

Each premium seed has been wrapped in this unique coating to provide it with more of what it needs to thrive. The coating technology:

Absorbs twice as much water, and holds it twice as long as uncoated seed to help prevent the seed from drying out – even if you miss a day of watering.

Feeds with essential nutrients to jump start the seedlings and help them to quickly grow into taller, thicker, greener grass plants.

Protects with a fungicide to help keep seedlings safe from harmful diseases that can attack newly planted areas.

Grow quicker, thicker, greener grass, guaranteed.

Freshness Matters

Scotts goes to great lengths to bring you the freshest seed available, so you can grow your own thick, beautiful lawn. For best results, always use fresh product. After opening, plant within the season. Store in a cool, dry place.

Scotts No-Quibble Guarantee®

If for any reason you, the consumer, are not satisfied after using this product, you are entitled to get your money back. Simply send us original evidence of purchase and we will mail you a refund check promptly.

CAUTION: TREATED SEED. This seed has been treated with Apron XL® fungicide (mefenoxam). Do not use for food, feed or oil purposes. Store away from feeds and foodstuffs. Keep out of reach of children.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden and sweep away any product that lands on the driveway, sidewalk or street back onto your lawn/garden.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.regulatory-info-sc.com>

NOTICE: ARBITRATION/CONCILIATION/MEDIATION REQUIRED BY SEVERAL STATES

Under the seed laws of several states, arbitration, mediation or conciliation is required as a prerequisite to maintaining a legal action based upon the failure of seed to which this notice is attached to produce as represented. The consumer shall file a complaint along with the required filing fee (where applicable) with the Commissioner/Director/Secretary of Agriculture, Seed Commissioner, or Chief Agricultural Officer within such time as to permit inspection of the crops, plants or trees by the designated agency and the seedsman from whom the seed was purchased. A copy of the complaint shall be sent to the seller by certified or registered mail or as otherwise provided by state statute.
