

The Sika Boom® product range has grown!

A FAMILY OF ALL SEASON, ONE-COMPONENT, EXPANDING FOAM PRODUCTS

Sika Boom®

GOT A PROJECT? WE HAVE THE FOAM...

From filling large cavities to insulating windows and doors, the Sika Boom® family of polyurethane foams offers a wide range of possibilities. Sika Boom® also meets the specific needs of projects requiring flame retardant properties and also allows work to be carried out at low temperatures.
