

EZ Green™

HVAC Coil Cleaner

PROFESSIONAL STRENGTH FORMULA FOR INDOOR/OUTDOOR USE

SimpleAir® EZ Green™ is an easy to use, environmentally friendly, professional strength, indoor/outdoor HVAC coil cleaner designed to remove soil buildup with minimal time and effort. EZ Green's™ vigorous foaming action loosens soil and pushes it out from deep within coils, without damaging the delicate coils and fins in your HVAC unit. EZ Green™ is non-toxic, biodegradable and odor free for a safe and easy way to remove soil buildup for improved energy efficiency.
