

Clean Flow™ Tabs

A/C Condensate Pump & Drain Line Treatment

PROFESSIONAL A/C CONDENSATE PUMP & DRAIN LINE TREATMENT

SimpleAir® Clean Flow™ Tabs help prevent maintenance problems associated with overflows and subsequent water damage by treating condensate water and reducing the formation of algae and mold. The concentrated formula lasts twice as long as other brands; is biodegradable, non-toxic and non-corrosive.

Can be used with:

- Air Conditioners (central & portable)
- Dehumidifiers (whole home or console)
- Refrigerators

Non-Toxic
Biodegradable
Odor Free

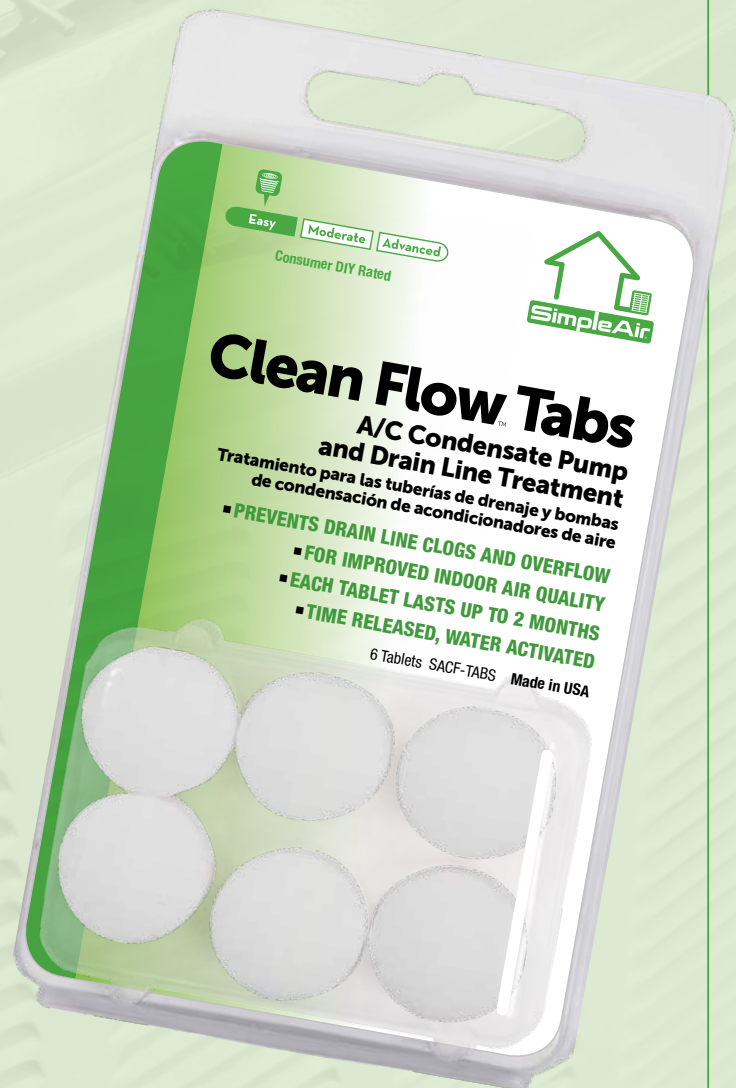

Clean Flow™ Tabs:

Help prevent drain lines clogs and overflow

Improve indoor air quality

Last up to 2 months

Are time released and water activated
