Sloggers® Women's Rain & Garden Boot

Our Rain and Garden Boots are lower and wider than most rain boots, so there is more room to tuck your pants into. Just like the rest of our Sloggers MADE IN THE USA boots and shoes, they include our "All-Day-Comfort" insoles and our signature deep lug sole for great traction in wet and muddy conditions. Sloggers boots are made from 100% recyclable, medical grade material, so they have a soft feel and no odor (like the China stuff), and they are easy to hose off clean. Made in the USA. Always was. Always will be.

**Womanswork®
“Digger”
Gardening Glove**

Doubly reinforced fingertips allow you to dig in the garden when planting, yet they're not bulky so you can also perform tasks requiring dexterity. A longer cuff with velcro wrist closure prevents garden soil from getting inside gloves. But our favorite thing about the “Digger” glove is the great fit, designed for a woman's hands. Machine washable and color fast.

Womanswork® Tick & Bug Blocker Glove

These gloves are the perfect antidote to worries about ticks and bugs when gardening or working in the landscape. The hand and gauntlet-length cuff are made of cotton twill with a little bit of spandex for extra flexibility and comfort. The palm is made of sturdy synthetic leather. On top of that, we stitched on a lightweight mesh cuff that pulls up and over your elbows for extra protection. The mesh is so fine it keeps No-see-ums and ticks from getting through.
