Your customers are always moving.

Clean up on that fact!

- Homeowners move an average of every 8.2 years. Renters move every 2.1 years, according to the US Census Bureau.
- Movers want (or need) to leave the place they're leaving spotless or to clean their new residence.
- Movers go to the hardware store or supermarket to rent a carpet cleaner ... unless they rent one from you.
- Sites doing the rental can earn as much as \$41.45 per customer!
- Carpet cleaner businesses average three rentals per week.
- Even at two rentals a week, that adds up to \$4290 annually.

- That's more than the investment for everything shown in this photo.
- You can re-order chemicals along with retail and office/maintenance supplies to keep inventories and freight costs at their lowest.
- Tough, commercial-grade equipment is easy to maintain.
- Made in the USA for easy to obtain Parts and Service.
- Backed by Schwarz Supply Source, the leading retail supplier for 100 years.

A **planogram** is a diagram of fixtures and products that illustrates how and where retail products should be displayed, in order to increase customer purchases. They may also be referred to as **plano-grams**, **plan-o-grams**, schematics, or POGs. A well-done planogram aims to optimize shelf space, inventory turns, and profit margins.

Supply Source One has displays to suit every floorplan, marketplace, and budget.

SP-XA101 Intruder Alarm – With programmable keypad

The SP-XA101 uses passive infrared sensors to detect intruders. Easy setup; install batteries and enter security code: your property is now protected. Has a 15 sec delay to enter code and disarm.

Features:

- Infrared Beam
- 135 dB Siren
- 20 ft. Range
- Code Activation

Battery: 4 x Alkaline AA batteries

Battery Life: Approximately 4 months
(based on 5 arm and disarm cycles per day, alarm activation 4 times a day)

SP-XA601 Ceiling-Mounted Intruder Alarm – With remote keyfob

The SP-XA601 is a standalone battery-powered intruder alarm that fixes directly to the ceiling of your garage, and provides 360 degree protection. Four-part infrared sensor for increased sensitivity. Once armed, the siren will be triggered if anyone moves into the security zone.

Features:

- Infrared Beam
- 360 Degree View
- 9 ft. Range
- Remote Control

Battery: 4 x Alkaline C batteries

Battery Life: Approximately 5 months
(based on 5 arm and disarm cycles per day, alarm activation 4 times a day)

SP-XA801 Motion-Detector Alarm – With telephone dialer

The SP-XA801 has the same features of the standard zone alarm with a built-in auto-dialer. Program up to three telephone numbers. When triggered, the alarm sounds and the auto-dialer will call up to three numbers to alert them that an intruder is present. In silent mode only the auto-dialer is activated. The unit connects directly to any phone socket and is fully approved for all phone systems.

Features:

- Infrared Beam
- Auto Dialer
- 20 ft. Range
- Easy to program 4 digit code

Battery: 4 x Alkaline AAA batteries

Battery Life: Approximately 6 months
(based on 5 arm and disarm cycles per day, alarm activation 4 times a day)

The products in this catalog represent only a fraction of what we stock.
So if you need something that isn't in this catalog, call us at 866-448-4111.

We'll do our best to provide it. And remember:

*Every product you order counts toward your minimum order amount
and earns you more Reward Points.*

Rewarding Every Customer for every order!

Every order you place with us
earns you Reward Points!

No more wondering if you're the one lucky
winner. No more hoping you win the same
prize that's raffled off every month.

We **really** value your business. That's why
every order you place with us earns you
Rewards Points. And, the bigger your order,
the more Rewards Points you earn.

Oh, and **you** get to pick the prizes you earn.
Now, doesn't that seem a little more fair?
