

## Guardian Visual Barrier

### DESCRIPTION

Tenax Guardian is a lightweight visual barrier suited for use around utility work, construction sites or in crowd-control applications. Tenax Guardian is a highly noticeable warning barrier with oval mesh openings. Tenax Guardian is UV stabilized and economic. Guardian is Tenax's most popular, best-selling visual barrier and is also available in green and yellow.

### USES

- Visual barrier for use on construction sites, parking lots and warehouses
- Visual barrier for use around hazard, traffic or pedestrian areas
- Reusable visual barrier for property delineation or home construction

### BENEFITS

- Lightweight - easy to carry and handle
- UV stabilized - long lasting
- Reusable, recyclable and affordable
- Won't rust, rot or corrode
