An Enduring Icon for Over 70 Years

Hav-A-Hank was born in 1946 as one of the first American bandanna brands. Seven decades later Hav-A-Hank continues its' tradition of making affordable, quality bandannas in classic and fashion styles.

Our Success is driven by 3 cornerstones:

- QUALITY
- CUSTOMER SERVICE
- PRODUCT DEVELOPMENT

Our finished bandannas are the finest quality simply because they get off to a better start. Each printed bandanna is inspected in detail to insure our reputation for quality is reinforced with every shipment. Our employees are proud of what we do and dedicated to shipping out superior product. We never forget that we owe our success to the successes of thousands of small businesses over the USA and the world. Our customers rave about our brilliant colors, our exceptional quality, and our growing collections. We are the only US bandanna supplier that can service quick turnaround on stock and custom products. We continue to introduce new styles ever year in all of our bandanna collections as well as new products. The ability to create custom products for our retailers, gives you the cutting edge as the demand for unique and one of kind styles grow.

Hav-a-Hank bandannas have reached an iconic status of personal expression. You can search the internet and it is amazing to see our paisley design come to life and see just how timeless bandannas really are. The number of ways bandannas are intricately woven into our everyday culture goes on and on.

Design Team: Isai Ortega, Richard Hilyer, Reid Hoag and a team of bandanna experts.
