PLANT STAKES & SUPPORTS

THE ORIGINAL SUPPORT SYSTEM THAT GROWS WITH YOUR PLANTS!

With all the Peacock parts and pieces being completely interchangeable to support gardens as they grow, it's best to "tell a story" showcasing the various displays and types of products. Select the Peacock displays best suited for your size Garden Center, then replenish the individual products, as necessary, throughout the year. For best results, pair the Classic Support Stakes Display (A) with Grids & Borders Display (D) and Scalloped Ring, Grid & Borders Display (E).

WHICH PEACOCK DISPLAYS ARE BEST FOR YOUR GARDEN CENTER?

We recommend one of the following options to best suit your size and space:

Small-Sized Garden Center

1. **B** or **C** and **F**
2. **B**, **C** and **F**
3. **A** + **D** or **E** and **F**

Medium-Sized Garden Center

1. **B**, **C** and **F**
2. **A** + **D** or **E** and **F**
3. **A**, **D**, **E** and **F**

Large-Sized Garden Center

- A**, **D**, **E** and **F**

Multiple Locations

Order the same option for each. Tip: use **B** or **C** by your check-out for last-second buys or next to your perennials.

PEACOCK VEGGIE STAKE DISPLAY

- Veggie Stakes are made of a plastic-coated steel tube
- Extremely durable alternative to bamboo or cane stakes
- These provide a straight-forward means to build all the necessary frames for vegetable gardens when used in conjunction with the connectors
- The Spiral stake is ideal to grow cucumbers and tomatoes. Just place the Spiral stake over the seedlings and watch the plants grow up along the spiral!
- With the connection clips, you can simply connect various Spiral stakes together to create a 'wigwam' frame
- UV-Resistant!
