

2019
CATALOG

 **TRUPER®**

A premium line true to the specs of contractor-grade tools, yet also geared at the consumer who wishes to step up to high-end tools. Best value at the top end of the market.

TRU PRO products feature the heaviest gauge heads available, tab sockets or steel collars, along with a select choice of white ashwood handles for the optimum ratio of resistance and flexibility. Lifetime warranty backs all **TRU PRO** tools.

Our newest line, offers a complete assortment of tools for every gardening requirement. Truper Garden Pro features steel D-Handles, steel collars, heavy gauge steel blades and 9" end grips for added comfort and control. A fifteen-year free-replacement warranty backs all Truper **GARDEN PRO** Products.

Provides everything a dedicated handyman expects from a serious, long-lasting tool at an unbeatable price.

TRU TOUGH has long been TRUPER's best selling signature line; its visual appeal is highlighted by clear-coated gray-steel finished heads, steel collars, lacquered ash handles and heavy-duty D-grips. A ten-year free-replacement warranty backs all TRU-TOUGH tools.

TRUPER's economy line is ideal for the occasional user looking for a sturdy, well made and reliable tool at an economic price.

TRU BUILT features matt-black painted heads, waxed hardwood handles, poly D-grips, chunked handles and a five-year replacement warranty.

TRU-PRO A premium line, true to the specs of contractor-grade tools, yet also geared to the high-end consumer who wants to step up to top-quality tools. Best value at the highest quality available.

A

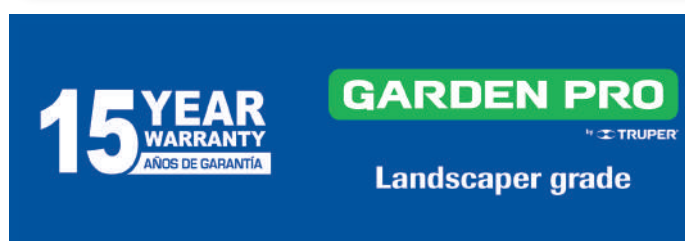

TRU-PRO products offer the heaviest gauge heads available, tab sockets or steel collars, along with a select choice of white ashwood handles for the optimum balance of resistance and flexibility. Life-time warranty backs all TRU-PRO tools.

B

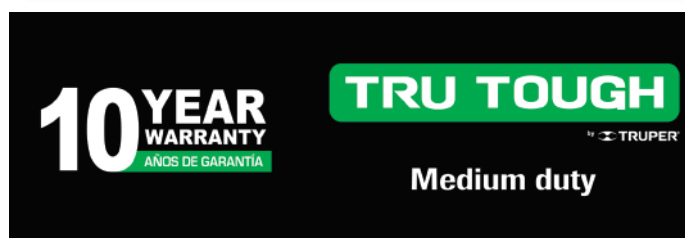

GARDEN PRO A complete assortment of tools for every gardening requirement. TRUPER Garden Pro tools feature steel D-handles, steel collars, heavy-gauge steel blades and 9" end grips for added comfort and control. A fifteen-year free-replacement warranty backs all TRUPER GARDEN PRO Products.

C

TRU-TOUGH provides everything a dedicated user expects from a serious, long lasting tool-plus an unbeatable price.

D

TRU-TOUGH has long been TRUPER's best selling signature line; its visual appeal is highlighted by clear-coated gray-steel finished heads, steel collars, lacquered ash handles, heavy duty D-grips and a ten-year free-replacement warranty.

E

TRU-BUILT TRUPER's economy line is ideal for the occasional user looking for a sturdy, well-made and reliable tool at a low price.

TRU-BUILT features powder coated painted heads, hardwood handles, poly D-grips, and a five year replacement warranty.

F

TRUPER is the largest vertically integrated striking tool manufacturer in North America. From our hickory mills in Tennessee to our forging plant in Mexico, we strictly supervise every step of our production process to provide our customers only with top-of-the-line products.

JILOTEPEC
PRODUCTION AND
DISTRIBUTION CENTER

Truper has been in the hand-tool manufacturing and marketing business for over 50 years, and is by far the largest Mexican company in its field, with exports to the United States, Canada, Central and South America, the Caribbean and Europe.

Truper's 88-acre production and distribution center in Jilotepec, Mexico, is strategically located on the transcontinental highway, 90 km north of Mexico City, and boasts more than five thousand employees.

Truper relies on the most advanced, modern and efficient technology to guarantee the optimum quality and competitive value of its products as well as the demanding service needs of the company's global client base.
