Exterior Products Catalog

Our Story

For nearly 50 years, Style Crest has been committed to the growth and advancement of the manufactured housing industry. We pride ourselves on being the industry's national supplier, delivering an extensive product offering and a dedicated service platform that our customers count on to support the success of their businesses.

Partner Relationships

We value and understand the importance of solid customer relationships, recognizing our customers as true business partners. By listening to the needs of our customers, we can offer creative solutions for their business challenges.

Delivery

Our nationwide distribution network ensures our customers have access to the products they need to grow their businesses. Our service platform provides weekly deliveries eliminating the need for our customers to stock large inventories.

Manufacturing Expertise

We are different than other suppliers because many of our products are designed, engineered and produced in our own manufacturing facility. These products range from foundation covers and entrance systems to traditional vinyl skirting, siding and soffit. Our innovative foundation covers bring a more traditional appearance to the manufactured housing industry.

Performance

Our exterior products not only enhance the curb appeal of any home but also protect against what Mother Nature sends your way. Whether you are in need of foundation covers, vinyl siding or fiberglass steps, we have products that will help make your manufactured house your home.

Setup and Transportation Products

A Manufactured Home is not truly a home until it is delivered and properly set on your lot. Our setup and transportation products provide suppliers with the equipment needed to do just that.

The Style Crest Team

With nearly 50 years' experience selling manufactured housing exterior products, our team knows all the right questions to ask to help you order the products you need, when you need them. Our goal is to make certain you are getting what you need to satisfy your customers. Whether you are dealing with inside or outside sales, you have a qualified team to support your needs..

All in the details

While quality may be hard to define, rest assured that you will see the quality that is built into the Exterior Product Solutions we offer.

Titan XTERIOR Prime

- Titan XTERIOR Prime is a foundation cover designed to withstand everyday activities, as well as mother nature.
- Our exclusive reinforced panel design is built strong to resist damage caused by lawn care accidents and playful children.
- Offers superior protection from high winds, frost heaving, and hail.
- Complements any home with the realistic appearance of poured concrete or stucco foundations.
- Achieves beauty with increased strength and durability; without increasing installation time or inventory costs by utilizing traditional foundation vents and standard vinyl skirting accessories (*reference Premium Plus trim products*).
- Panel colors include White, Clay, and Dove.

Titan XTERIOR Elite

- Built to defend your home from the rigorous demands of Mother Nature's elements.
- 2" Insulation helps keep homes warmer in the winter and cooler in the summer.
- Available in White, Clay, and Dove to complement any home.
- Unique corner kits include notched top trim for easy installation.
- Panel with factory installed vent saves time and labor costs.
- Automatic vents available in white, black, gray and brown.
- Designed to survive a non-commercial gas or electric weed trimmer accident.
- Preventol™ EPS protects the foam from termites and is safe for humans and pets.
- Moisture management helps guard the home from mold and moisture damage.

1. Includes hitch-typically 4' per section
2. Less hitch and additions-Note measure the complete perimeter of the home--- If skirting hitch, additional materials are required
3. Average height-measure all 4 corners at center of each side-if home is between sizes or heights-move to next largest calculation

Notes: Calculations shown are based on exact height and completely level ground. Actual material needs may differ.
Please add one or more panels for waste or errors

Accessories Cross-Reference.

Many of our accessories are compatible with multiple Style Crest branded products. This chart summarizes this mix.

4" Hooded Vent

Unique paddle wheel design discourages birds and rodents from entering vent and helps reduce lint build-up. Inner flap is recessed into base when dryer is turned off, further discouraging bird and rodent entry. Cover snaps on and off easily for quick installation and lint removal. Like all bathroom/dryer vents, periodically inspect and clean for optimum performance.
