TOMCAT®

MOUSE ATTRACTANT

TOMCAT MOUSE ATTRACTANT can enhance the effectiveness of any mechanical trap. It has a desirable, gel-like consistency and "no-mess" spout making it the ideal alternative to cheese or peanut butter. PLUS, its taste is irresistible to mice and rats while being non-toxic to children and pets.

HOW TO USE...

1 Place a small, pencil eraser-sized amount onto appropriate area of trap.

2 Position trap in areas of identified activity.

3 Monitor traps for activity. Move traps and/or rebait as necessary.

Available Exclusively From: MOTOMCO
3699 Kinsman Blvd.
Madison, WI 53704 U.S.A.
