 • Wash with plenty of soap and water.

HAVE LABEL WITH YOU WHEN OBTAINING TREATMENT ADVICE
TREATMENT FOR PET POISONING
 If an animal eats this bait, call a veterinarian at once.

NOTE TO VETERINARIAN OR VETERINARIAN
 Contains the active ingredient cholecalciferol. This product is not an anticoagulant type rodenticide. For humans or animals ingesting bait and/or showing poisoning signs look for muscle tremors, loss of food, fat loss, or weakness for animals. Bait absorption by other means or gastric bloatage, labile blood chemistry, if present, results in the need of careful volume and should be treated accordingly through administration of an osmotic diuretic and continued.

PRECAUTIONARY STATEMENTS

Harmful to Humans and Domestic Animals
CAUTION: Bait contains harmful if swallowed. Keep away from children, domestic animals and pets. Wash thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco, or using the toilet. Do not wear clothes, hardhat, hat, or gloves, or release animals or animals that need wear gloves.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish, birds and other wildlife. Do not use around ponds and lakes, or in areas where birds, fish, and other wildlife. Do not use around fish, birds, or other wildlife. Do not use around fish, birds, or other wildlife. Do not use around fish, birds, or other wildlife.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
READ THE LABEL: Read this entire label and follow all use directions and use precautions. See only for the site, pests and application methods described on this label.

USE RESTRICTIONS:
 This bait station may be used in areas accessible to children and pets, consistent with all use restrictions and other requirements indicated on this label. Do not apply further than 50 feet from homes or buildings.

For control only of Norway rats, roof rats, and house mice. This bait station can only be used with the block bait and not with the granules. This product must be used and stored in accordance with all use restrictions and other requirements indicated on this label. Do not place this bait station or stored block bait in any area where there is a possibility of contaminating food or surfaces that come into direct contact with food. Do not block bait (bait) out of reach of children and pets.

SELECTION OF TREATMENT AREAS: Determine areas where rats and/or house mice are most likely to feed, and ensure the bait. Generally, these areas are inside barns, along outdoor walls, by ground openings, underneath, or in places where signs of rats or house mice have been seen.

APPLICATION DIRECTIONS:
 With weather gloves, place up to 4 blocks of bait in the bait station. Rub the block as necessary. See additional GRAPHICS AND TEXT for Loading Bait into Station below. When the bait station is placed in higher activity areas, however, they should be placed outdoors only, by ground openings, underneath, or in places where signs of rats or house mice have been seen.

If outdoor areas are preferred, place bait stations in 15- to 20-foot intervals. Maintain a constant supply of fresh bait for 10 days or until there is no longer any fresh sign of rat or house mouse activity in infested areas. While working these signs, replace bait in bait station if bait has been consumed or contaminated and rats and/or house mice still are using the bait station.

Following: wearing gloves, collect and properly dispose of any leftover bait or carcasses. Carcasses should be placed in an outdoor garbage can. To minimize contamination, eliminate food, water and harborage as much as possible. If contamination does occur, repeat treatment.

STORAGE AND DISPOSAL

Pesticide Storage: Store only in original container in a cool, dry place inaccessible to children and pets. Pesticide Disposal and Container Handling Instructions: Containers: Do not reuse or refill. This container except as described on the instructions for use.

If Empty: Place in trash or other for recycling if available.
If Partially Full: Call your local solid waste agency for disposal instructions. Do not place in trash or other for recycling if available.

Notice: Do not store container with applicator box, before consuming all label of use, storage or handling of the product per instructions with directions.

Recall Guarantee: If for any reason you, the consumer, are not satisfied with this product, send us your original proof of purchase to obtain a full refund of your purchase price.
