- No dipping – natural ingredient masala is handrolled onto bamboo sticks.
- 72 varieties of long lasting fragrance, slat-wall ready.
- Recycled packaging with soy-based inks.
- Displays made from recycled cardboard and tree-free paper.

Triloka Angel Incense

- Contains 100% natural botanical ingredients.
- Packages are slat-wall ready or available in tree-free displays.
- 10% of proceeds from sales support Doctors without Borders.

Triloka Global Shaman Smudges

- Sustainably harvested, traditional Native American smudges.
- Slatwall ready or wooden display available.
- Packaged in biodegradable bags with eco-friendly tags.
- Proceeds support the tribe cooperative.

Charcoal Resin Cups

- Exciting and new to the marketplace.
- Ready to light - resin and charcoal in one cup.
- All natural resin and all natural charcoal.

On the cover: 100% recycled aluminum leaf burner for incense or smudges.

Gift Sets

- Best selling items packaged in eco-friendly, keepsake boxes.

Eco-bags, Gift Wrap, and Diaries

- A variety of styles in lush patterns and colors.
- Made from tree-free paper (repurposed from new, excess cotton fabric scraps from the busy textile industry).
