## **6 - HEALTH HAZARDS - PROTECTIVE MEASURES - FIRST AID**

### Inhalation:

- Repeated or excessive inhalation of vapor can cause irritation, chemical pneumonia, dizziness, and nausea. Intentional misuse by deliberately concentrating and inhaling vapors may be harmful or fatal. No chronic effects known.
- Use NIOSH approved respirator appropriate for concentration of vapor. Provide good ventilation.
- Remove to fresh air. Use artificial respiration and oxygen if needed.

### Skin:

- Repeated or excessive contact can cause blisters or rash due to defatting action. No chronic effects known.
- Wear solvent resistant gloves and other clothing as needed to prevent exposure.
- Remove contaminated clothing, and avoid ignition sources. Wash effected areas thoroughly with soap and water.

### Eyes:

- Causes irritation. No chronic effects known.
- Wear goggles. Have convenient eye wash stations.
- Flush with water for 15 minutes. Get medical attention if effects persist.

### Ingestion:

- Causes digestive system upsets, dizziness, nausea, and may be fatal. If sucked into lungs, effects are same as for inhalation above. No chronic effects known.
- Avoid swallowing or sucking into lungs. Wear face shield if face contact is likely.
- Rinse mouth. Do not induce vomiting. Get prompt medical attention, especially if liquid is sucked into lungs.

IN ALL CASES: GET PROMPT MEDICAL ATTENTION IF EFFECTS PERSIST.  
KEEP OUT OF REACH OF CHILDREN.

Most likely routes of entry: Skin, Inhalation, Eyes

## **7 - PRECAUTIONS FOR SAFE HANDLING AND USE**

Spills and Leaks: Remove all ignition sources. Provide good ventilation. Take up spills and put into closed containers. Avoid flow to sewers. Floors may be slippery. See Section 6 for other protective measures.

Storage and Handling: Keep away from ignition or heat source. Store in cool and ventilated places, but avoid freezing. Keep containers closed.

Waste Disposal: In accordance with applicable local, state, and federal regulations.

Empty Containers: Rinse thoroughly before handling, reuse, or disposal.
