## SOME IMPORTANT FACTS ABOUT THE TUBE CHANGES

- Our inner tubes have new part numbers and the 3 middle digits indicate the wheel size
- The updated tube sizes fit current bicycles. Some tube sizes have changed to fit across more widths, helping shops stock fewer SKUs, while fitting more sizes
- All tubes have new packaging; post consumer recycled materials printed with soy based ink
- Each tube box has an schematic of a **Schrader** or **Presta** valve in the corresponding length
- Schrader valve lengths; 35mm or 48mm
- Presta valve lengths; 32mm / 48mm / 60mm / 80mm
- Removeable Valve Core valves will have an **RVC** icon with the corresponding length; 48mm / 60mm / 80mm
