

## GLASS CLEANING MICROFIBER CLOTHS 3PCS

SKU: RMF-G3P

### Microfiber Cloths

### Product Details

#### Construction

80% polyester / 20% polyamide

**For a scratch-Free, Lint-Free and Streak-Free Finish**

#### Mechanical Cleaning

Microfiber leaves no residue and will trap and lift more dirt, dust, and liquids than conventional cotton fibers.

#### Tip

The "mechanical action" of microfiber detailing cloths are great for chemical-free cleaning, but they can still be used with most automotive cleaning products.

#### Packaging Option:

Retail Pack

#### Size:

14" x 14"

#### Color:

Blue

### Available In

RMF-G3P

### Product Description

#### Glass Cleaning Microfiber

Clean with ease using glass knit microfiber cloths. Perfect for streak-free, lint-free wiping on glass and stainless steel surfaces. Great for chemical-free cleaning, but can also be used with household cleaning products. Microfiber cloths are used in many professional cleaning tasks because they easily trap dirt, water-based liquids and oils. Microfiber cloths can be washed 100's of times, but bleach and fabric softeners should be avoided.
