

PLAZA STONE RECTANGLES & SQUARES

PLAZA STONE

Plaza Stone is a timeless paving stone with an impressionistic embossed surface profile. It creates a gentle and warm effect by combining soft curved edges with rectangular and square stones. Plaza Stone is available in many colors to accommodate the most discriminating tastes and desires. Plaza Stone uses large-scale patterns to create interest and drama for commercial landscaping, while the stone's texture and pattern harmonize with surrounding buildings and site furnishings.

#646 - SQUARE

#606 - RECTANGLE
