HOSE STORAGE

Built to last, all of the Yard Butler Hose Truck & Hose Reels feature the Max-Flo outlet pipe and kink-free center spool design with anti-rust finish.

Easy Turn Hose Truck™

A convenient way
to reel in those
unruly hoses

▲ Swivel Reel-Mighty Reel™

The Mighty Reel is a low profile, high capacity, durable all steel hose reel that will keep your yard uncluttered and add years to the life of your hoses. Unlike other wall mounted hose reels that are fixed in a single position, the Mighty Reel swivels to both parallel and perpendicular positions. Improved Mount design allows for additional "T" Post mounting capability. The generous 75' capacity easily accommodates most standard lengths of 5/8" hose.

New!

High Capacity Hose Reel™ ➤

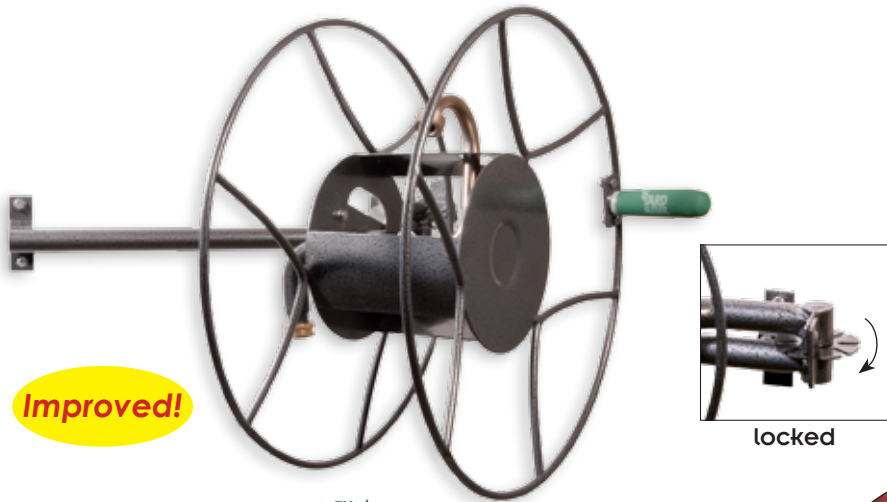

For its innovation, great value and competitive edge, our new 2 wheeled hose reel is durable and an excellent alternative to plastic reels. It features durable rubber tires on poly rims and holds up to 150 feet of 5/8" hose, which is plenty of capacity for most any home and gardening demands.

Swivel Reel-Wall Mount™ ▲

The Wall Mounted Swivel Reel provides a tidy method for safely storing up to 100 feet of 5/8 inch hose. Fully assembled; ready to mount to any wall or solid surface. 4 lag bolts included. Swivel wall-mount design swings 180 degrees for easy winding and unwinding. New Improved design features a manual on/off multi-position lock to keep the reel in position during use and hose retrieval.

At last, a hose reel that doesn't kink hoses and won't leak, break or rust after only a few years!

◀ Swivel Reel-Free Standing Swivel Reel-Patio Base™ ▶

Great for storing hoses near gardens, planting beds, stables or anywhere else hoses are frequently used. The unique free standing swiveling turret design of the Yard Butler Free Standing and Patio Base Swivel Reel can rotate 360 degrees and hold up to 200 feet of 5/8 inch hose, making it capable of delivering water anywhere within a total coverage area of over 3 acres! We have also added a 360° directional lock to further enhance ease of use and functionality.

Keep your yard tidy
and extend the life
of your hose

Rust Proof Hose Hanger ▶

Hanging your hose up off the ground not only keeps your yard tidy, it extends the life of your hose. But there is a big difference between 100 feet of empty garden hose and one filled with water. The Yard Butler Rust Proof Hose Hanger's design holds the weight without sagging. And the galvanized steel tube will not rust. The perfect choice for any yard, workshop or marine application near the ocean or any environment where rust is a problem. It also works great for organizing electrical cords, air hoses, or anything else that needs to be coiled for storage.

LANDSCAPING

Yard Butler offers heavy duty, powder-coated irrigation supplies and rakes for professional landscapers as well as the avid backyard gardener and homeowner. Our products are guaranteed to last a lifetime.

World's Greatest Shrub Rake

World's Greatest Rake™ ▲ World's Greatest Shrub Rake™ ▼

The name says it all. Our professional grade rake with "spring-back" tines is the best ever invented. This amazing rake has been the secret of landscapers for the past 30 years. Its free-floating, cold rolled, spring steel tines are so stiff it will pick wet leaves off your driveway but so flexible it can rake directly over bedding plants. A perfect garden groomer. With a light weight but heavy duty wooden handle your only problem will be getting it back after you have lent it to the neighbor.

Strong But Flexible
Free-floating tines maximize flexibility to gently rake over bedding plants.

Garden Planter

Bulb & Garden Planter ▶
Plant your garden without having to bend or kneel! Easily dig holes for bulbs and bedding plants while standing.

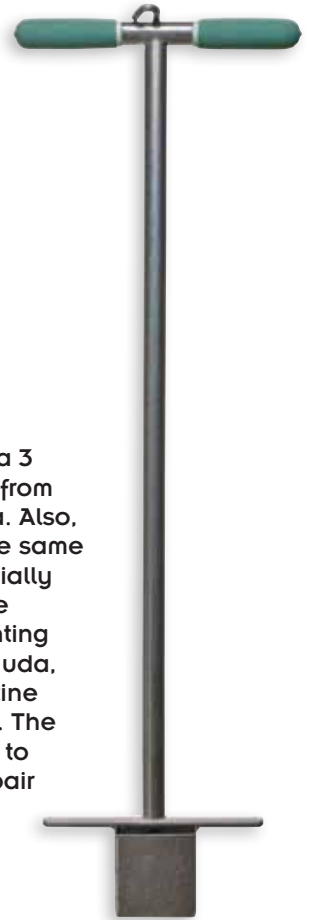

Step Edger ▶
A uniquely designed blade and long handle make edging far easier and more effective. Step perpendicular to cut straight down, or position your foot sideways for a rocking motion.

Gopher Bait Applicator ◀
Inserts the bait directly underground, so only the targeted pests come in contact with the application. Keeps toxic chemicals away from children, pets and birds. Will dispense most baits on the market.

Sod Plugger ▶
Cuts and transplants a 3 inch square sod plug from an existing grass area. Also, extracts a soil core the same size as most commercially available plugs on the market. Great for planting plugs of Zoysia, Bermuda, Centipede, St. Augustine and most turf grasses. The most economical way to establish a new or repair a damaged lawn.

Deep Root Irrigator ▶

Deliver water straight to the roots of trees and shrubs with this multipurpose tool. Deeper roots are better able to withstand dry spells. Saves water and money eliminating runoff and evaporation. It also has dozens of other uses as an affordable water blaster.

▲ Grass Root Irrigator

Sprinklers watering faster than can be absorbed causes runoff while hard soil conditions and overhead watering just blows away on the wind. This tool uses two water tips that deep water your lawn, wetting the entire root zone to encouraging deep rooting. Great for those troubling dry spots.

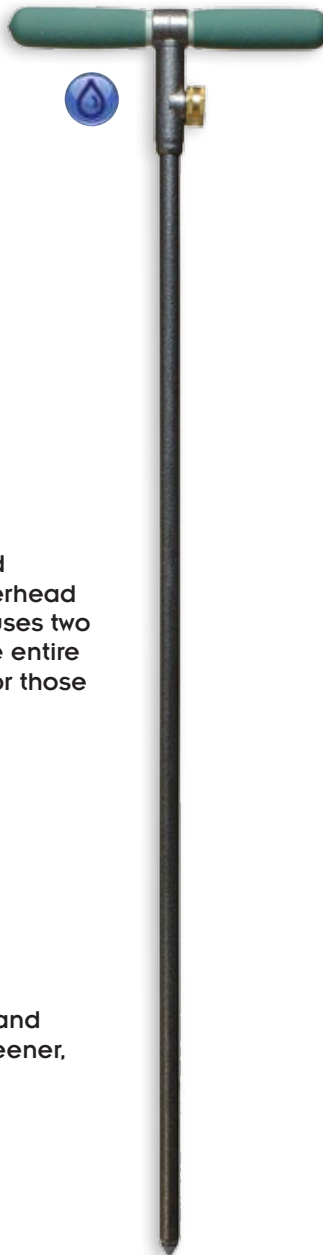

▲ Spike Aerator

Four heavy duty spikes loosen compacted soil and penetrate thatch, allowing deep watering for greener, healthier lawns.

▲ Core Aerator

Two self-ejecting tips remove cores 1/2 inch in diameter and 3 1/2 inches long. Promotes vigorous root growth in lawns by reducing thatch and soil compaction.

The unique and functional Yard Butler Turf Tools feature powder coated all-steel construction, cushioned handles and are guaranteed to last a lifetime.

Core Aerator

Drought friendly tools help supply water directly to the entire root zone of trees, shrubs, flowers and lawns to encourage deep rooting. Deeper roots are better able to withstand dry spells and fluctuating temperatures. Saves water and money eliminating runoff and evaporation.

HAND TOOLS

Yard Butler offers a complete assortment of ultra-high quality, all-purpose, dual-action hand tools to meet every gardener's need. Guaranteed to last a lifetime, comfortable grips, all-steel construction, and a durable, anti-rust finish make these items necessities in any well-stocked garden center. The portable Garden Kneeler seat and bench combination makes it even easier to work close to the ground with these handy tools.

Terra Tiller and Terra Planter

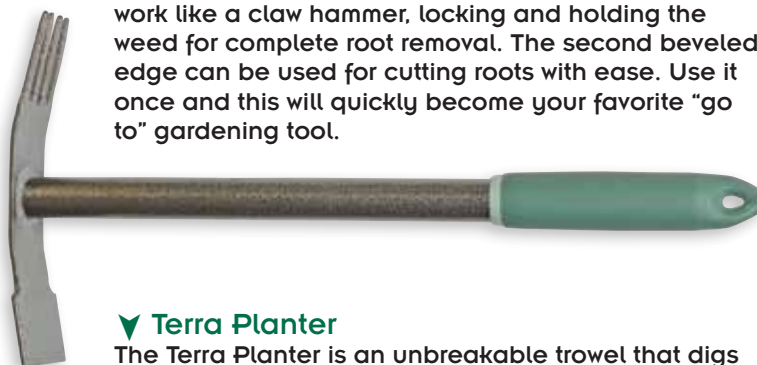

▼ Terra Tiller

The Terra Tiller's three sturdy prongs are excellent for weeding, breaking, loosening, and deep tilling soil. The extra heft of this well balanced tool make the second beveled edge perfect for cutting, trenching or general garden use.

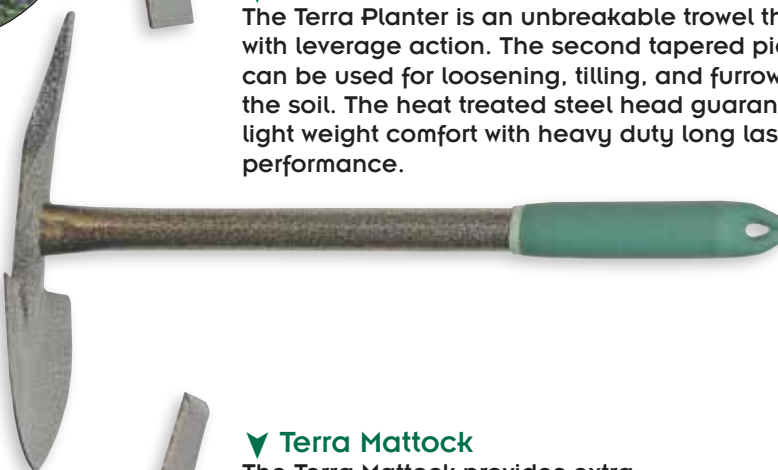

▼ Terra Weeder

The Terra Weeder's tapered hardened steel tines work like a claw hammer, locking and holding the weed for complete root removal. The second beveled edge can be used for cutting roots with ease. Use it once and this will quickly become your favorite "go to" gardening tool.

▼ Terra Planter

The Terra Planter is an unbreakable trowel that digs with leverage action. The second tapered pick end can be used for loosening, tilling, and furrowing the soil. The heat treated steel head guarantees light weight comfort with heavy duty long lasting performance.

▼ Terra Mattock

The Terra Mattock provides extra heft with two cutting blades. This is the professional choice for bedding plants and annuals.
