# GARDEN ANYWHERE.

Small Space Gardening is ready to grow. New gardeners aren't waiting for space to start planting. Smaller homes and smaller yards mean making the most of any space with Container Gardening, Raised Bed Gardening, Vertical Gardens & Plant Stands, on patios, balconies, and small yards.

## GARDEN KNEELER & SEAT

Save your knees and back.

**Garden Kneeler in 4 colors**

The Yard Butler Garden Kneeler & Seat will make your time in the garden easier and less painful by reducing back strain. The padded cushion allows you to kneel amongst the plants without scraping up your knees or mucking up your pants and the extended arms make getting up and down for working the soil much easier. You can even use it as a garden stool.

This portable garden bench is as durable as it is comfortable. When not in use the Garden Kneeler folds flat for convenient storage. All steel construction with a powder coated finish for durability.

**Rust Proof Hose Hanger**

The Yard Butler Rust Proof Hose Hanger’s design holds the weight without sagging. And the galvanized steel tube will not rust. The perfect choice for any yard, workshop or marine application near the ocean or any environment where rust is a problem. It also works great for organizing electrical cords, air hoses, or anything else that needs to be coiled for storage.

**Free Standing Hose Hanger**

The Yard Butler Free Standing Hose Hanger’s patented design is double braced to hold all your hose without sagging. Store your hoses in the most convenient locations, near gardens, planting beds, stables or anywhere else hoses are frequently used.

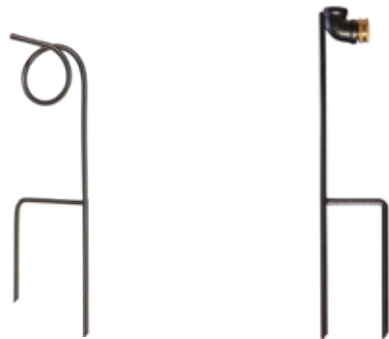

**Free Standing Hanger with Faucet**

Select the Free Standing Hose Hanger with Faucet (pictured) to create a remote watering station. Mount both in concrete for best results.

Keep your yard tidy and extend the life of your hose.

**Hose Guide**

Once installed, the unique design allows garden hoses to be easily threaded and unthreaded without removing Plant Saver from the ground, preventing damage to your expensive flowers and shrubs.

**Step Spike Sprinkler Stand**

The Yard Butler Step Spike Sprinkler Stand’s dual spikes are perfect for hillsides or other rough or uneven terrain. It lifts the sprinkler head 10 inches above the ground and over most ground cover or plants. Accommodates any ½ inch sprinkler head.

**Ring Base Sprinkler Stand**

A 15 inch diameter base makes this the most stable, portable impulse sprinkler base on the market. Available for ½ inch and ¾ inch heads.

**Hose Bib Extender**

The Hose Bib Extender creates a convenient remote water faucet. Deliver water to the most convenient locations. Great for moving hose bibs from behind plants and shrubs and placing the faucet within easy reach.

# Our hose trucks.

### Hose Truck Compact

This handy 2 wheeled hose truck is perfect for the home gardener holding up to 100 feet of 5/8 inch hose. Built with quality, innovation and economy in mind, it's the perfect promotional addition to our expanding hose storage line-up.

### Hose Truck 2 Wheeled

The rugged all-terrain Hose Truck goes anywhere on two durable pneumatic wheels and holds up to 200 feet of hose.

### Hose Truck 4 Wheeled

At 400 feet of capacity, this heavy duty hose truck holds as much hose as you could want. Great in commercial and agricultural settings.

### Hose Truck Easy Turn™

This hose truck's design features a front wagon wheel that turns easily on all surfaces and terrain. It holds up to 400 feet of 5/8" hose and conveniently stores and transports heavy hoses to any location. It's easy maneuverability makes this hose reel ideal for commercial use!

# The Yard Butler Hose Storage Solutions.

### Swivel Reel Mighty Reel™

The Mighty Reel is a low profile, high capacity, durable all steel hose reel that will keep your yard uncluttered and add years to the life of your hoses. Unlike other wall mounted hose reels that are fixed in a single position, the Mighty Reel swivels to both parallel and perpendicular positions. Improved Mount design allows for additional "T" Post mounting capability. The generous 75' capacity easily accommodates most standard lengths of 5/8" hose.

### Swivel Reel Wall Mount™

The Wall Mounted Swivel Reel provides a tidy method for safely storing up to 100 feet of 5/8 inch hose. Fully assembled; ready to mount to any wall or solid surface. 4 lag bolts included. Swivel wall-mount design swings 180 degrees for easy winding and unwinding. Features a multi-position lock to keep the reel in position during use and hose retrieval.

### Swivel Reel Free Standing™ & Patio Base™

(Pictured above). Great for storing hoses near gardens, planting beds, stables or anywhere else hoses are frequently used. The unique free standing swiveling turret design of the Yard Butler Free Standing and Patio Base Swivel Reel can rotate 360 degrees and hold up to 200 feet of 5/8 inch hose, making it capable of delivering water anywhere within a total coverage area of over 3 acres! We have also added a 360° directional lock to further enhance ease of use and functionality.

# Garden tools, built for life.

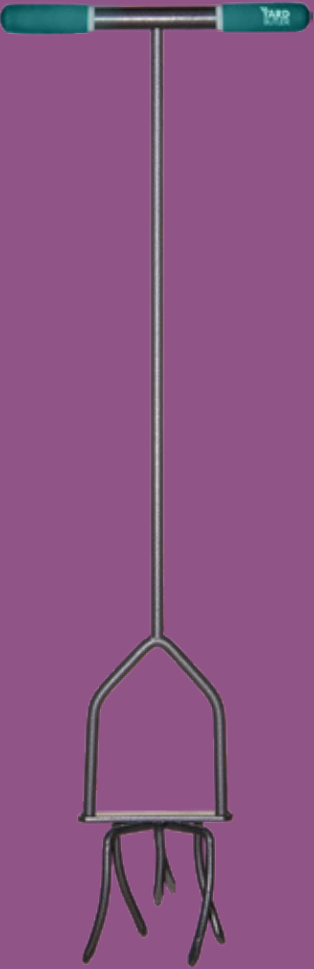

### Step Edger

A uniquely designed blade and long handle make edging far easier and more effective. Step perpendicular to cut straight down, or position your foot sideways for a rocking motion.

### Spike Aerator

Four heavy duty spikes loosen compacted soil and penetrate thatch, allowing deep watering for greener, healthier lawns.

### Twist Tiller™

Tilling allows for easy weeding and promotes the saturation of water, air and fertilizer for healthier plants. The unique twisted tines quickly work the ground making amending the soil and mixing compost a breeze.

### Deep Root Irrigator

Deliver water straight to the roots of trees and shrubs with this multipurpose tool. Saves water and money eliminating runoff and evaporation. It also has dozens of other uses as an affordable water blaster.

# Yes. There's an easier way to garden.

## Core Aerator

Two self-ejecting tips remove cores ½ inch in diameter and 3½ inches long. Promotes vigorous root growth in lawns by reducing thatch and soil compaction.

## Sod Plugger

Cuts and transplants a 3 inch square sod plug from an existing grass area. Also, extracts a soil core the same size as most commercially available plugs on the market. The most economical way to establish new grass or repair a damaged lawn.

## Rocket Weeder

Removes the toughest weeds! The unique gripping action grabs weeds, while the ergonomic handle levers the weed up out of the ground, roots and all. The ejector button dumps the weed wherever you want it and keeps your hands clean.

## Rotary Cultivator

Intertwined blades form multiple mini shears which remove and cut weeds while breaking up the soil. The detachable blades can be configured so you can till between rows and around plants. The extendable steel handle reduces bending and back strain.

## Bulb & Garden Planter

Easily dig holes for bulbs and bedding plants while standing. No need to bend or kneel!

## Gopher Bait Applicator

Inserts the bait directly underground, so only the targeted pests come in contact with the application. Keeps toxic chemicals away from children, pets and birds. Will dispense most baits on the market.

## Compost Aerator

Folding wings harpoon into the heart of the compost pile, opening when withdrawn. Aerates, circulates and turns the compost.

# Our crew of hand tools.

**Terra Mattock**  
The Terra Mattock provides extra heft with two cutting blades. This is the professional choice for bedding plants and annuals.

**Terra Planter**  
The Terra Planter is an unbreakable trowel that digs with leverage action. The second tapered pick end can be used for loosening, tilling, and furrowing the soil. The heat treated steel head guarantees light weight comfort with heavy duty long lasting performance.

**Terra Weeder**  
Its tapered hardened steel tines work like a claw hammer, locking and holding the weed for complete root removal. The second beveled edge can be used for cutting roots with ease. Use it once and it will quickly become your favorite gardening tool.

**Terra Tiller**  
The Terra Tiller's three sturdy prongs are excellent for weeding, breaking, loosening, and deep tilling soil. The extra heft of this well balanced tool make the second beveled edge perfect for cutting, trenching or general garden use.

# What does it take to be great?

World's  
Greatest  
Rake™

The name says it all. Our professional grade rake with “spring-back” tines is the best ever invented. This amazing rake has been the secret of landscapers for the past 30 years. Its free-floating, cold rolled, spring steel tines are so stiff it will pick wet leaves off your driveway but so flexible it can rake directly over bedding plants. A perfect garden groomer. With a light weight but heavy duty wooden handle your only problem will be getting it back after you have lent it to the neighbor.

World's  
Greatest  
Shrub Rake™

Strong But  
Flexible

Free-floating tines maximize flexibility to gently rake over bedding plants.
