

TITAN XT

#1 IN DURABILITY

The **Titan XT** is a heavy duty, form-fit, reinforced performance work glove that features more TPR knuckle guards on the top of hand for impact protection. High visibility safety lime and 3M Scotchlite™ reflective patches promote high safety awareness. The durable non-slip palm increases performance and grip. Memory foam is strategically sewn into the palm for dampening impact and shock.

This glove offers total hand protection and lasting durability without sacrificing dexterity.

IMPACT PROTECTION	increased TPR coverage over the top of hand and fingers
ERGONOMIC DEXTERITY	3D glove pattern helps to alleviate fatigue
HIGH VISIBILITY	with 3M Scotchlite™ Reflective Material
PALM	synthetic leather reinforced by memory foam sewn inside
NON-SLIP REINFORCEMENT	critical wear areas at palm, fingers and saddle protected by heavy duty non-slip layer
CUFF	slip-fit cuff stays secure
SIZING	S - 2XL
PART #	09-9060-10-[size]
