# CONSUMER ELECTRONICS

ACCESSORIES

## INTRODUCTION

# ONE SOURCE. MANY SOLUTIONS.

Your customers already know AmerTac™ from our popular Amerelle® decorative Wallplates and our full assortment of Westek® Timers, Light Controls, Under Cabinet Lighting and Night Lights. Now, we're introducing an extensive line of Consumer Electronics Accessories under the trusted Zenith® Brand.

Zenith® was founded in Chicago, IL in 1918 and is best known for developing North America's advanced television system and the first TV remote control. Today, Zenith® is a licensed brand promoted and focused through LG; however, AmerTac™ has been given the privilege of continuing the tradition of quality and innovative products.

### MFI CERTIFICATION

In effort to continue providing superior quality products, we have subjected our newest lightning cables to the rigorous testing required by Apple Inc. for MFI certification. This testing ensures the product is made for—and will protect—all iPod, iPhone and iPad devices from electrical damage.

Look for the MFI badge shown above on select MFI certified Zenith® lightning cables in the Mobile section.

### UNDERSTANDING TV RESOLUTION

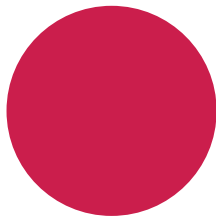

With high-definition television systems as the current standard for video formats, understanding TV resolution and the importance of choosing the right cables and connectors will make the difference in your customer's home theater system.

Resolution Type	Horizontal × Vertical pixels	Other Names
8K	7,680 × 4,320	None
"Cinema" 4K	4,096 × [unspecified]	4K
UHD	3,840 × 2,160	4K, Ultra HD, Ultra-High Definition
1080p	1,920 × 1,080	Full HD, FHD, HD, High Definition
720p	1,280 × 720	HD, High Definition

All of the products shown in the following pages are championed by our unparalleled commitment to service. Our breadth of product covers a wide range of relevant consumer solutions and is precisely what retailers want and need. We provide comprehensive coverage in seven categories, making us one source for many solutions.

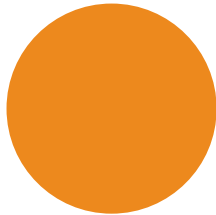

*Due to continuous technological improvements, item specifications may vary slightly from what is pictured or published. Please contact your AmerTac™ representative for more information. Zenith® is a registered trademark of Zenith Electronics LLC. "Made for iPod," "Made for iPhone," and "Made for iPad" mean that an electronic accessory has been designed to connect specifically to iPod, iPhone, or iPad, respectively, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of the device or its compliance with safety and regulatory standards. Please note that the use of the accessory with iPod, iPhone, or iPad may affect wireless performance. iPad, iPhone, iPod, iPod classic, iPod nano, iPod touch, and Retina are trademarks of Apple Inc., registered in the U.S. and other countries. iPad Air, iPad mini, and Lightning are trademarks of Apple Inc.*

**WIRES & CABLES**

# AUDIO

Deciding on the right audio cables to connect your sound equipment is critical if looking for an accurate music or sound reproduction. Choose Zenith® wires and cables to complete your audio setup and deliver the best possible sound for your car, home or office.

**3.5MM Y SPLITTER CABLE**

- Splits one 3.5mm jack into two
  - Allows for two headphones to be used with one mini (3.5mm) stereo jack
- Black, 3 Inch: AY1003MP3MF

**RCA-F to RCA-M Y CABLE**

- Splits one RCA plug into two RCA plugs
  - Connects a mono source device to a receiver with stereo RCA inputs
- (2)M-(1)F, Black, 3 Inch: AY1003RCAFM  
 (2)F-(1)M, Black, 3 Inch: AY1003RCAMF

**3.5MM TO RCA Y SPLITTER CABLE**

- Connects 3.5mm devices to a home stereo system
  - Allows the playing of a CD/Tape player or other portable device through a home stereo or to extension speakers
  - Color coded for easy installation
- Black, 3 Inch: AY1003MP3MMR  
 Black, 3 Feet: AY1036MP3MMR

**FIBER OPTIC CABLE**

- Transfers digital audio signals
  - Multi-channel digital audio output
- Black, 6 Feet: AP1006B  
 Black, 12 Feet: AP1012B

Premium

**24K GOLD**

- Transmits 5.1 Surround Sound audio
  - 24K gold connectors for superior fit and signal quality
  - Shielded to minimize interference and noise
- Premium, 3 Feet: AP3003B  
 Premium, 6 Feet: AP3006B

**SPEAKER WIRE**

- Connects speakers to A/V receiver or amplifier
- Insulated jacket for undistorted signal
- Wire strippers needed (not included)

Copper	14 AWG	16 AWG	18 AWG	24 AWG
50 Ft.	AS105014C	AS105016C	AS105018C	-
100 Ft.	-	AS110016C	AS110018C	AS110024C

**CL2 RATED SPEAKER WIRE**

- Use to connect speakers to a receiver or amplifier
- Class 2 Circuit Wire rated for safe in-wall installations

White	14 AWG	16 AWG
50 Ft.	AS5014CL2	AS5016CL2
100 Ft.	AS10014CL2	AS10016CL2

**3.5MM AUDIO CABLE & EXTENSION KIT**

- Connects components with 3.5mm jacks
  - Extension cable extends headphone distance from stereo
  - Extension kit includes 1/4" adapter plug to connect with receiver or amplifier
- Black, 6 Feet: AM1006MP3DB  
2 pc. Kit, Black, 6 Feet: AM1006MP3E

**SUBWOOFER CABLE**

- Connects the LFE (Low Frequency Emitter) output of a receiver to a subwoofer
  - 24K gold connectors for superior signal quality
  - Shielded to minimize interference and noise
- Silver, 15 Feet: AS3015B

**STANDARD STEREO RCA CABLE**

- Connects components with RCA stereo audio connectors
  - Color coded for easy installation
- Black, 6 Feet: AC1006SB  
Black, 12 Feet: AC1012SB

**STEREO AUDIO CABLE**

- Connects components with dual RCA jacks
  - 24K gold connectors for superior signal quality
  - Shielded to minimize interference and noise
- Silver, 6 Feet: AC3006SB

**4-TERM BANANA PLUG WALLPLATE**

- Four terminals for two stereo connections
  - Color coded for easy polarity identification
  - Allows flush mounted connection of up to 16 AWG speaker wire through wall
  - Screws included for mounting
  - For indoor use only
- White: AW1004TBPW

**RCA BANANA PLUGS**

- For use with amplifiers or speakers that use traditional binding posts
  - Closed screw type plugs
  - Color coded for polarity identification
  - Can accept 12-18 AWG speaker wires
- Gold, 4 Pack: AM1004BP

**CAR CASSETTE ADAPTER**

- Adapt any MP3, iPod, portable CD music device or other auxiliary input device to your car stereo system
  - Auxiliary plug-in
  - Adapts quickly and easily to any cassette player configuration
- Black: AA1001CA

**RCA AUDIO COUPLER**

- Connect two RCA cables together
  - Can be used to extend or patch existing cable hookups that use RCA phono plugs
- Black/Gold, 2 Pack: AM1002CP

**CABLES & CONNECTORS**

# AV

Zenith® offers a full range of audio/video cables and connectors to help deliver high quality sound and picture for the home. Choose from either standard or premium cables and accessories to complete your media station, home entertainment center or surround-sound system.

**HDMI CABLE W/ ETHERNET**

- Provides uncompressed, standard and high-definition video signals
  - Resolution of up to 1080p
  - Ethernet connectivity
- Black, 3 Feet: VH1003HD  
 Black, 6 Feet: VH1006HD  
 Black, 12 Feet: VH1012HD

**HIGH SPEED HDMI CABLE W/ ETHERNET**

- Connect your AV devices to your HDTV
  - Range of 4K certified to 1080p resolution
  - 24K gold connectors for superior fit and signal quality
  - Shielded to minimize interference and noise
- Black, 3 Feet: VH3003HDHS2  
 Black, 6 Feet: VH3006HDHS2  
 Black, 12 Feet: VH3012HDHS2

**COMPOSITE AV CABLE**

- Transfers stereo audio/video signals between components
  - Color coded for easy installation
  - Molded strain relief to protect connectors
- Black, 3 Feet: VT1003COMPOS  
 Black, 6 Feet: VT1006COMPOS  
 Black, 12 Feet: VT1012COMPOS

**COMPOSITE AV CABLE**

- Transfers stereo audio/video signals between components
  - 24K gold connectors for superior fit and signal quality
  - Shielded to minimize interference and noise
  - Color coded for easy installation
  - Molded strain relief to protect connectors
- Silver, 6 Feet: VT3006COMPOS

**HIGH SPEED HDMI CABLE W/ MINI CONNECTOR**

- Connects a Mini HDMI component to an HDMI display device
  - Range of 4K certified to 1080p resolution
  - 24K gold connectors for superior fit and signal quality
  - Shielded to minimize interference and noise
  - Molded strain relief to protect connectors
- Silver, 3 Feet: VH3003HDMN

**HIGH SPEED HDMI CABLE KIT**

- Connects HD component to HDTV
  - Compatible with all HDMI enabled devices including Internet connected HDTV sets
  - 3D compatible
  - 1080p high speed
  - Includes HDMI coupler
  - Molded strain relief to protect connectors
- Black, 6 Feet, 2 Pack: VH1006HDKIT

**90° FOLDABLE HDMI COUPLER**

- Female to male coupler
  - Ideal for connecting HDMI cables to extend the length
  - 90° foldable coupler
  - Meets all current HDMI specifications and can support all HDTV resolutions
- Black: VA3001HDF A

**90° FOLDABLE HDMI COUPLER**

- Female to female coupler
  - Ideal for connecting HDMI cables to extend the length
  - 90° foldable coupler
  - Meets all current HDMI specifications and can support all HDTV resolutions
- Black: VA3001HDEX

**3-WAY MANUAL HDMI SWITCHER**

- Connects up to three HDMI audio/video components to a single HDTV display
  - 24K gold connectors for superior fit and signal quality
  - Shielded to minimize interference and noise
- Black: VR3001SWHD

**SINGLE HDMI WALLPLATE**

- Connects one HDMI cable through wall
  - Traditional design fits any standard outlet or flush mount
  - Provides a professional and finished look for your HDMI cables
  - Screws included for mounting
- White: VW3001WJHDW

**HDMI & COAX WALLPLATE**

- Connects one HDMI cable and one RG6 coax video cable through wall
  - Traditional design fits any standard outlet or flush mount
  - Provides a professional and finished look for your HDMI and coax cables
  - Screws included for mounting
- White: VW3001HD2C

**DUAL HDMI WALLPLATE**

- Connects two HDMI cables through wall
  - Traditional design fits any standard outlet or flush mount
  - Provides a professional and finished look for your HDMI cables
  - Screws included for mounting
- White: VW3001WJHD2W

**HDMI & ETHERNET WALLPLATE**

- Connects one HDMI cable and one RJ45 Ethernet cable through wall
  - Traditional design fits any standard outlet or flush mount
  - Provides a professional and finished look for your HDMI and Ethernet cables
  - Screws included for mounting
- White: VW3001HDE2E

**CHARGERS & ADAPTERS**

# MOBILE

Never run out of power again with the new line of Zenith® mobile chargers, adapters and accessories that has everything you need to charge, sync, or listen to your smartphone, tablet or laptop on the go.

- 5000MAH PORTABLE CHARGER**
- Conveniently charges any USB device
  - Sleek and compact design provides portability and style
  - Mini Micro USB Cable and Lightning 8-Pin adapter tip included
  - Blue LED indicator shows battery capacity
  - 5V 2.1A output
- White: PM6000MPC

- 2600MAH PORTABLE CHARGER**
- Conveniently charges any USB device
  - Compact and lightweight size provides portability and style
  - Black leather texture with stitching line design
  - Intelligent chip prevents from overcharging
  - White LED indicator shows battery capacity
  - 5V 1.0A output
- Black: PM2600MPC

- DUAL USB WALL CHARGER**
- Charges most USB powered devices from a wall outlet
  - 3.1A power charges most tablets
  - 5V DC output
  - Compatible with USB 1.0/1.1/2.0
  - Transfers data from up to 480 Mps
  - For use with Android, Blackberry, Kindle and other USB products
- White: PM1002UW31

- STEREO EARBUDS**
- Compatible with any device equipped with a 3.5mm audio jack
  - Soft, silicone in-ear buds for added comfort
  - In-line microphone with pause and play controls for answering calls and playing music
  - Extra ear adapters included for an individualized fit
- Red: PM1001SER  
 Black: PM1001SEB  
 White: PM1001SEW  
 Blue: PM1001SEB2

**LIGHTNING 8-PIN FIXED CAR CHARGER**

- Ideal for charging an iPod, iPhone and iPad from a car 12V socket
- USB port for dual charging

Black: PM1024FC8

**DUAL USB CAR CHARGER**

- Charges most USB powered devices from a car
- 3.1A power charges most tablets
- 5V DC output
- Compatible with USB 1.0/1.1/2.0
- Transfers data from up to 480 Mps
- For use with Android, Blackberry, Kindle and other USB products

Black: PM1002UC31

**USB C CAR CHARGER**

- Ideal for charging a USB C device from a car 12V socket
- USB port for dual charging
- 2.4A output

Black, PM1001FCC

**LIGHTNING 8-PIN WALL CHARGER**

- Ideal for charging an iPod, iPhone and iPad from a wall outlet
- 2.4A output

White, 3 Feet: PM1024WC8

**MICRO USB CAR CHARGER**

- Ideal for charging your Micro-B USB device from your car 12V socket
- USB port for dual charging
- 2.4A output

Black: PM1001FCMC

**USB C WALL CHARGER**

- Ideal for charging a USB C device from a wall outlet
- 2.4A output

White, 3 Feet: PM1001WCC

**MICRO USB W/LIGHTNING 8-PIN ADAPTER CABLE**

- Ideal for charging iPod, iPhone, iPad and your micro USB devices
- Great for syncing and updating from a computer's USB port
- Adapter piece allows convenient charging of 8-pin compatible devices

White, 3 Feet: PM1002MU8ADP

Made for  
 iPod iPhone iPad

**MICRO USB WALL CHARGER**

- Ideal for charging a Micro-B USB device from a wall outlet
- 2.4A output

White, 3 Feet: PM1001WCMC

**LIGHTNING 30-PIN CLASSIC CABLE**

- Ideal for charging a classic iPod, iPhone, or iPad device
- Great for syncing and updating from a computer's USB port

White, 3 Feet: PM1002U30

Made for  
 iPod iPhone iPad

**USB A TO MICRO & MINI CABLE**

- Ideal for charging a Micro-B 5-pin and Mini-B 5-pin USB devices
- Great for syncing and updating from a computer's USB port

Black, 3 Feet: PM1003USBMM2

**QI  
CHARGER**

**QI COMPATIBLE WIRELESS CHARGER**

The newest Zenith® mobile charging device allows you to effortlessly charge any mobile phone that supports Qi wireless charging as set by the Wireless Power Consortium (WPC). Simply place the Qi compatible device on the flat charging surface to begin charging it automatically.

- Ultra slim design makes for easy travel
  - Matte finish prevents slipping
  - Wireless Charger can be charged via Micro USB
  - Complies with the Qi wireless charging standard
  - LED indicator
- Black: PM1001QIPCB

NOTE: The Qi symbol is a trademark of the Wireless Power Consortium. This product is Qi compatible and is not listed by the WPC. Logo shown only for identification purposes of device being charged.

**BRAIDED - LIGHTNING 8-PIN TO USB A CABLE**

- Ideal for charging an iPod, iPhone and iPad from a USB port, USB wall outlet and USB car charger
  - Premium braided cable with molded strain relief
  - Great for syncing/updating from your computer's USB port
- Black, 3 Feet: PM1003U8BB  
Black, 6 Feet: PM1006U8BB

**LIGHTNING 8-PIN TO USB A CABLE**

- Ideal for charging an iPod, iPhone and iPad from a USB port, USB wall outlet and USB car charger
  - Great for syncing/updating from your computer's USB port
- White, 3 Feet: PM1003U8W  
White, 6 Feet: PM1006U8W

**BRAIDED - USB C TO USB A CABLE**

- Premium braided cable
  - Ideal for charging your USB C device
  - Great for syncing/updating your pictures, music and videos from your computer's USB port
- Silver, 3 Feet: PM1003UCBW  
Silver, 6 Feet: PM1006UCBW

**USB C TO USB A CABLE**

- Ideal for charging your USB C device
  - Great for syncing/updating your pictures, music and videos from your computer's USB port
- White, 3 Feet: PM1003UCW  
White, 6 Feet: PM1006UCW

**BRAIDED - MICRO-B TO USB A CABLE**

- Ideal for charging your Micro-B USB device
  - Great for syncing/updating your pictures, music and videos from your computer's USB port
  - Premium braided cable with molded strain relief
- Black, 3 Feet: PM1003MCBB  
Black, 6 Feet: PM1006MCBB

**MICRO-B TO USB A CABLE**

- Ideal for charging your micro-B USB device
  - Great for syncing/updating your pictures, music and videos from your computer's USB port
- White, 3 Feet: PM1003MCW  
White, 6 Feet: PM1006MCW

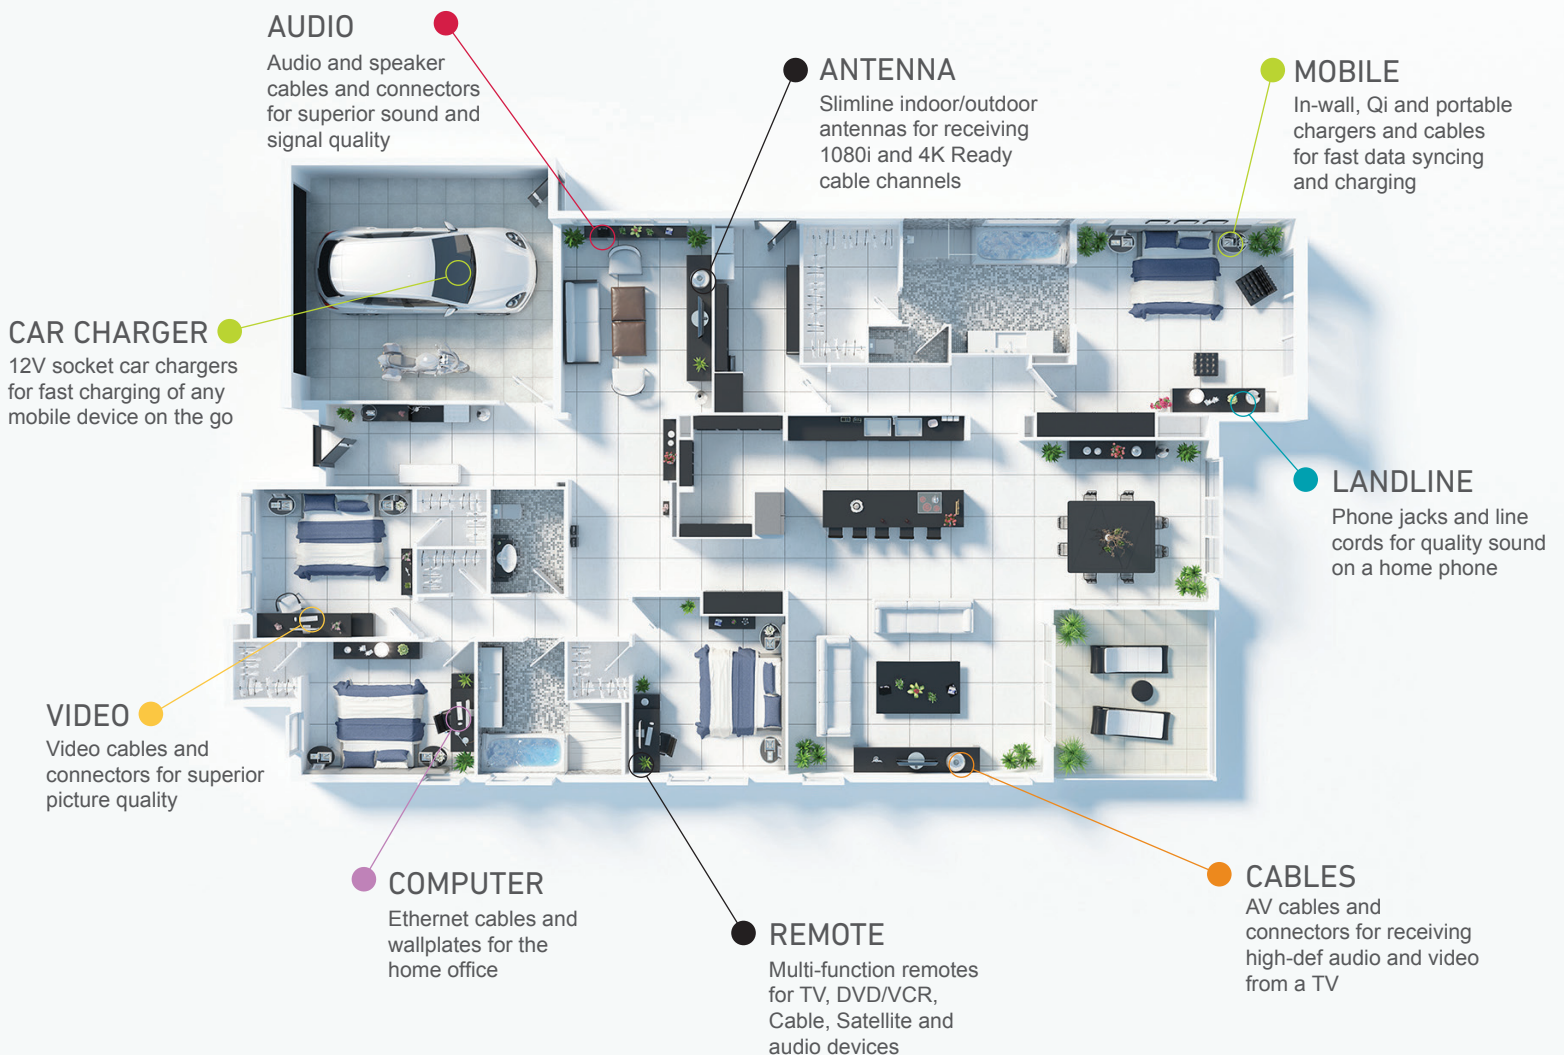

MULTI-USE

# ZENITH® FOR THE HOME

Zenith® Consumer Electronics are specifically designed for everyday use in the home. With electronics accounting for up to 90% of our time, Zenith® has made it easy to find all of the cables and accessories needed to work, watch, and communicate effectively every day. It's no surprise that this industry is quickly evolving; however, Zenith® is a brand

that has sparked innovation for years, introducing the first portable radio and developing the first TV remote control. Now a century later, Zenith® is proud to offer seven categories of accessories that can be used in every room of the home. Just connect the dots to find the best consumer electronics accessories in the industry.

**CORDS & JACKS**

# PHONE

These legacy phone accessories are guaranteed to ring up sales for you. From wires to cords, jacks to connectors, we have everything your customers need to connect their phones, faxes, answering machines and modems.

**PHONE LINE CORD**

- Connects phone or modem to any phone outlet
- Features a 6 position, 4 conductor RJ11 connector

Gray, 12 Inch: TL1001G  
White, 7 Feet: TL1007W  
White, 12 Feet: TL1012W  
White, 25 Feet: TL1025W  
White, 50 Feet: TL1050W

**PHONE HANDSET COIL CORD**

- Connects handset to telephone device
- Flexible curled ribbon cable with memory retention
- Features a 6 position, 4 conductor RJ11 connector

Black, 12 Feet: TH1012B  
Black, 25 Feet: TH1025B  
White, 12 Feet: TH1012W  
White, 25 Feet: TH1025W

**ROUND STATION WIRE**

- Approved for behind the wall installations.
- Perfect for running behind the wall to connect to junction boxes and wall outlets
- 24 AWG, 4 wire cord

Almond, 50 Feet: TP1050ULA  
Almond, 100 Feet: TP1100ULA

**PHONE CORD NAIL FASTENERS**

- Secure phone line cord to nailable surface
- Pre-installed nails
- Holds flat line cord secure

White, 20 Pack: TM1020NAFW

**BUTTSPLICING CONNECTORS**

- Splices 19-26 AWG line cord
  - “U” contact clamps down on wire, strips insulation and grips conductors
  - Gel filled to provide moisture resistance and prevent corrosion
- 10 Pack: TM1001BS

**UNIVERSAL SINGLE PHONE JACK WALLPLATE**

- Standard outlet for wall mounted phone
  - Connects phone wire through a wall
  - Screws included for mounting
- Silver: TW1001WPS  
White: TW1001WPW

**SINGLE PHONE JACK WALLPLATE**

- Connects phone wire through wall
  - Flush mount design
  - Screws included for mounting
- White: TW1001SW

**COAX & PHONE JACK WALLPLATE**

- Connects phone wire and coax cable through a wall
  - Flush mount design
  - Screws included for mounting
- Almond: TW1002CPA  
White: TW1002CPW

**SINGLE SURFACE MOUNT PHONE JACK**

- Easily add a modular phone jack
  - 4 conductor
  - Simple installation
- White: TM1001SMSMW

**DUAL PHONE JACK WALLPLATE**

- Connects two phone wires through a wall
  - Dual inputs for increased versatility
  - Flush mount design
  - Screws included for mounting
- White: TW1002DW

**INLINE COUPLER**

- Connects two modular line cords to extend the length of a phone cord
  - 4 conductor
  - Simple installation
- White: TS1001CW

**DUAL SURFACE MOUNT PHONE JACK**

- Easily add two modular phone jacks
  - 4 conductor
  - Simple installation
- White: TM1002SMW

**DUPLEX JACK**

- Splits one phone line into two
  - 4 conductor
  - Simple installation
- White: TS1001SPJ2W

**TRIPLEX SPLITTER JACK**

- Splits one phone jack into three
  - 4 conductor
  - Simple installation
- White: TS1001SPJ3W

CABLES & WALLPLATES

# PC

Whether they're at home, in the office or on-the-go, we have the cables and devices to keep your customers connected on their personal computers while providing a professional and finished look.

### ETHERNET SURFACE MOUNT JACK

- Easily add a modular CAT 5/6e jack
- Simple installation

White: PN6ESMW

### ETHERNET IN-LINE COUPLER

- Allows 2 CAT 5/6e cables to be connected to extend the length of the cord
- Simple installation

White: PN6ECW

### USB UNIVERSAL ADAPTER KIT

- Connects to any USB compliant device
- Includes 6' Type A Male/Type A Female cable and 4 tips: Micro USB, USB B, USB 4-pin Mini-B, USB 5-pin Mini-B.
- Molded strain relief to protect connectors

6 Feet: PU1005KTB

### TYPE A TO TYPE B USB 2.0 CABLE

- Connects USB compliant devices
- 2.0 high speed is 40x faster than USB 1.1
- Compatible with all previous USB versions
- Molded strain relief to protect connectors

6 Feet: PU1006ABB  
10 Feet: PU1010ABB

**CAT 5E RJ45 NETWORKING CABLE**

- Connects computer to hub or RJ45 wall jack
  - Meets EIA/TIA standards for CAT 5 applications
  - Utilizes four stranded, unshielded, twisted pairs to meet electrical requirements
  - Handles up to 100MB per second
  - Molded strain relief to protect connectors
- 3 Feet: PN10035EB  
 7 Feet: PN10075EB  
 14 Feet: PN10145EB  
 25 Feet: PN10255EB  
 50 Feet: PN10505EB

**CAT 6E RJ45 NETWORKING CABLE**

- Connects computer to hub or RJ45 wall jack
  - Meets EIA/TIA standards for CAT 5 applications
  - Utilizes four stranded, unshielded, twisted pairs to meet electrical requirements
  - Handles up to 10GB at 250 MHz per second
  - Molded strain relief to protect connectors
- 3 Feet: PN10036EB  
 7 Feet: PN10076EB  
 15 Feet: PN10156EB  
 25 Feet: PN10256EB  
 50 Feet: PN10506EB

**ETHERNET WALLPLATE**

- Connects CAT 5/6e Ethernet cable through a wall
  - Flush mount design
  - Screws included for mounting
- White: VW6EW

**ETHERNET & PHONE WALLPLATE**

- Connects CAT 5/6e Ethernet and RJ11 phone cables through a wall
  - Dual inputs for increased versatility
  - Flush mount design
  - Screws included for mounting
- White: VW6ERJ11W

**DUAL ETHERNET WALLPLATE**

- Connects CAT 5/6e Ethernet cable through a wall
  - Dual inputs for increased versatility
  - Flush mount design
  - Screws included for mounting
- White: VW6E6EW

**ETHERNET & COAX WALLPLATE**

- Connects CAT 5/6e Ethernet cable and coax through a wall
  - Dual inputs for increased versatility
  - Flush mount design
  - Screws included for mounting
- White: VW6ERG6W

**ANTENNAS & ACCESSORIES**

**TV**

For both indoor and outdoor applications, our antennas provide maximum signal strength from both VHF and UHF signals, allowing you to receive your local channels in 1080p or 4K Ready resolution for free. Installation is easy - simply connect the included coaxial cables to your current television set for superior quality channels in seconds.

**INDOOR ULTRA THIN HDTV ANTENNA**

- Sleek, paper thin design
  - Multi-directional
  - 1080p or 4K Ready
  - Low-noise digital signal amplifier
  - AC adapter and mounting adhesive pads included
  - For indoor use only
- 30 Mile: VN1ANIUTP30  
50 Mile: VN1ANIUTA50

30 Miles

50 Miles

**IN/OUT OMNI-DIRECTIONAL HDTV ANTENNA**

- Omni-directional
  - Receives UHF/VHF/FM channels
  - HD Ready or 4K ready
  - Amplifier with bypass function
  - 360° Reception with minimum interference
  - Includes J-pole mount, 10 meter cable and amplifier
  - For indoor or outdoor use
- 60 Mile: VN1ANIODA60

60 Miles

**INDOOR PASSIVE VHF/UHF HDTV ANTENNA**

- Receives VHF and UHF signals
  - Dipoles can fully extend to reach 39"
  - 1080i or 720p HDTV programming
  - UHF loop: Channels 14-69
  - Includes 5' coaxial cable
- 25 Mile: VN1ANTP2

25 Miles

**OUTDOOR ROTATING HIGH GAIN HDTV ANTENNA**

- Rotates 360° to obtain maximum signal strength
  - Built-in amplifier
  - Receives VHF and UHF signals
  - 1080p or 4K Ready
  - Includes 50' cable, safety ties, cable staples and a remote control
- 120 Mile: VN1ANTA28X

120 Miles

### OUTDOOR FIXED PASSIVE HDTV ANTENNA

- Receives VHF and UHF signals
- 1080p or 4K Ready
- Includes J-pole antenna mount

60 Mile: VN1ANOF60

60  
Miles

### OUTDOOR FIXED AMPLIFIED HDTV ANTENNA

- Amplifier with Bypass Function Enhances Signal Reception
- Receives VHF and UHF signals
- 1080p or 4K Ready

80 Mile: VN1ANOF80

80  
Miles

### OUTDOOR ROTATING PASSIVE HDTV ANTENNA

- Rotating 360° to obtain maximum signal strength
- Receives VHF and UHF signals
- 1080p or 4K Ready
- Includes 50' cable and remote control

50 Mile: VN1ANORP50

50  
Miles

### OUTDOOR ROTATING AMPLIFIED HDTV ANTENNA

- Rotating 360° to obtain max signal strength
- Built-in amplifier
- Receives VHF and UHF signals
- 1080p or 4K Ready
- Includes 50' cable and remote control

120 Mile: VN1ANORA120

120  
Miles

### F PLUG TRANSFORMER

- Converts antenna style 300 Ohm twin lead wire to a coaxial 75 Ohm F connector
- Wire stripper needed (not included)

Black: VN1001MTRB

### ROTATOR WIRE

- Connects antenna rotator drive to its control unit
- 3 conductor wire
- 22 AWG
- Color coded for easy installation

Black: 75 Feet: VN1075MRW

### OUTDOOR TRANSFORMER

- Converts antenna style input to coaxial cable output
- For outdoor use
- 300 Ohm to 75 Ohm transformer
- Wire stripper, crimping tool and crimp ring needed (not included)

Black: VN1001MTRW

### ANTENNA WALL MOUNT KIT

- Mounts outdoor antenna side of house
- Ideal for roof or attic
- Galvanized steel construction
- Includes (2) brackets, (2) U-bolts and mounting hardware

Steel: VN1001MKTWL

### ANTENNA MAST EXTENSION

- Extends the height of outdoor antennas to improve signal strength
- Heavy-duty galvanized steel construction

Copper, 4 1/2 Feet: VN1001MGM4  
Copper, 8 Feet: VN1001MGM8B

### ANTENNA ROOF MOUNT KIT

- Secures antenna to house
- Ideal for roof or attic
- Gold finish
- Includes brackets, (1) U-bolt and mounting hardware

Steel: VN1001MKTRF

**TV REMOTES**

**MICROBAN® ANTIMICROBIAL TECHNOLOGY**

Microban® is an antimicrobial technology used in select TV remotes that provides antimicrobial protection for plastic products. This technology helps eliminate the growth of stain-and-odor causing bacteria, keeping the remote control cleaner.

- Microban® has the highest brand awareness in the industry with 46% awareness among consumers and 59% among business decision makers\*
- The use of this technology increases consumer purchase intent by 15%\*
- Consumers are willing to pay up to 11% more for this technology\*
- Over 1,000 products around the world prove the real-world benefit of the Microban® brand

\*Millward Brown Aggregate Study

- 4 DEVICE BIG BUTTON REMOTE**
- Easy to program
  - Operates all digital TV set-top boxes
  - Rubberized keys for a better grip
  - Large number keys for easy reading
  - Blue keys for advanced DVD functions
  - Oversized volume and channel keys
  - Requires 2 AAA batteries (not included)
- Silver: ZB410

- 4 DEVICE MICROBAN® BIG BUTTON REMOTE**
- Microban® antimicrobial technology
  - Large keys for easy reading
  - Advanced keys for TV, DVD/VCR, Cable, and Satellite functions
  - Dedicated channel and volume keys
  - Easy to program
  - Designed for HDTV
  - Requires 2 AAA batteries (not included)
- Black: ZB410MB

- 3 DEVICE UNIVERSAL REMOTE**
- Easy to program
  - Operates all digital TV set-top boxes
  - Rubberized keys for a better grip
  - Large number keys for easy reading
  - Blue keys for advanced DVD functions
  - Oversized volume and channel keys
  - Requires 2 AAA batteries (not included)
- Silver: ZC300

- 4 DEVICE UNIVERSAL REMOTE**
- Easy to program
  - Operates all digital TV set-top boxes
  - Rubberized keys for a better grip
  - Large number keys for easy reading
  - Blue keys for advanced DVD functions
  - Oversized volume and channel keys
  - Aspect ratio button for HDTV widescreen options
  - Requires 2 AAA batteries (not included)
- Silver: ZC400

- 5 DEVICE UNIVERSAL REMOTE**
- Easy to program
  - Compatible with over 325 TV brands
  - Rubberized keys for a better grip
  - Requires 2 AAA batteries (not included)
- Silver: ZP505

- 3 DEVICE UNIVERSAL REMOTE**
- Easy to program
  - Compatible with over 325 TV brands
  - Rubberized keys for a better grip
  - Requires 2 AAA batteries (not included)
- Silver: ZP305MH

# Antimicrobial

# Product Protection

from the inside out

Zenith® is proud to use Microban® technology in the manufacturing of select remote controls to add a level of protection against the growth of bacteria.

#### How does it work?

Microban® protection inhibits the growth of microorganisms. When microbes come in contact with the product surface, Microban® protection penetrates the cell wall of the microorganism and disrupts cell functions making the microorganism unable to function, grow or reproduce.

#### How long does it last?

Microban® protection is built-in during the manufacturing process and will not wash off or wear away. It is engineered to provide continuous antimicrobial protection for the useful lifetime of the product.

#### Is it safe?

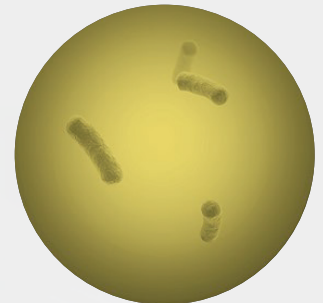

Microban® technology has undergone extensive independent laboratory testing and has a long history of safe and effective use. It is registered with the EPA and other regulatory agencies in other countries for all applications in which it is used.

Look for the Microban® logo on select Zenith® products to ensure it's protected.

**CABLES & CONNECTORS**

# VIDEO

Zenith® quad shield, burial grade and in-wall coax cables and accessories are engineered to provide a truly superior signal to ensure your customers are experiencing every detail in sound and picture quality from their components.

**RG6 COAX IN-WALL CABLE**

- Carries video and audio signals for accurate signal transfer
  - Approved for behind the wall installations
  - No ends; connectors not included
- Black, 100 Feet: VG110006ULB

**RG6 BURIAL GRADE COAX CABLE W/ GROUND WIRE**

- Ideal for exterior applicants that require grounding
  - Shielded exterior insures maximum signal with minimum interference
  - Thick waterproof construction for outdoor underground installation
  - UL/cUL rated.
- Black, 50 Feet: VG105006BGB  
Black, 100 Feet: VG110006BGB

**RG6 COAXIAL CABLE**

- Connects video components
- Shielded exterior insures maximum signal with minimum interference

	Black	White
3 Feet	VG100306B	VG100306W
6 Feet	VG100606B	VG100606W

100 Feet	VG110006B	VG110006W

**Quad Shield**

**RG6 COAX QUAD SHIELD CABLE**

- Uses four layers of shielding versus the standard two layers
  - Maximum protection from signal interference
  - Heavy duty quad shield F connectors
- 3 Feet: VQ300306B  
6 Feet: VQ300606B  
12 Feet: VQ301206B  
25 Feet: VQ302506B  
50 Feet: VQ3050NEB (no ends)  
100 Feet: VQ3100NEB (no ends)

**STANDARD COMPONENT VIDEO CABLE**

- Economical cable and jacks
  - Separates red, green and blue video signals into their component parts for greater video clarity
  - Color-coded jacks for easy installation
  - Molded strain relief to protect connectors
- Black, 6 Feet: VC1006COMPON  
Black, 12 Feet: VC1012COMPON

Premium

24K GOLD

**COMPONENT VIDEO CABLE**

- Premium cable and jacks
  - Separates red, green and blue video signals into their component parts for greater video clarity
  - 24K gold connectors for superior fit and signal quality
  - Shielded to minimize interference and noise
  - Color-coded jacks for easy installation
  - Molded strain relief to protect connectors
- Silver, 6 Feet: VC3006COMPON  
Silver, 12 Feet: VC3012COMPON

**STANDARD S-VIDEO CABLE**

- Economical cable and jacks
  - Connect S-video, camcorder or DVD Player to S-video VCR or S-video compatible TV
  - Provides superior picture performance over composite video cables
  - Molded strain relief to protect connectors
- Black, 6 Feet: VV1006SVID  
Black, 12 Feet: VV1012SVID

Premium

24K GOLD

**S-VIDEO CABLE**

- Premium cable and jacks
  - 24K gold connectors for superior fit and signal quality
  - Shielded to minimize interference and noise
  - Connect S-video, camcorder or DVD Player to S-video VCR or S-video compatible TV
  - Provides superior picture performance over composite video cables
  - Molded strain relief to protect connectors
- Silver, 6 Feet: VV3006SVID

**HDMI F TO DVI M CONNECTOR**

- Connects HDMI female to DVI male adapter
  - Provides high definition video up to 1080p
  - Compact size designed for minimal signal loss
- Black: VA3001HDDV

Quad Shield

**QUAD SHIELD CRIMP-ON F CONNECTORS**

- Connects to RG6 coaxial cable
  - Heavy duty quad shield
  - Crimping tool not included (Can use Zenith® crimping tool - VM1001RG6CT)
- Gold, 2 Pack: VA3002RG6QU

Premium

18K GOLD

**WEATHERPROOF CRIMP-ON F CONNECTORS**

- Connects to RG6 coaxial cable
  - 18K gold connectors
  - Provides maximum signal transfer and corrosion resistance
  - Crimping tool not included (Can use Zenith® crimping tool - VM1001RG6CT)
- Gold, 2 Pack: VA1002RG6WC

**TWIST-ON F CONNECTORS**

- Connects to RG6 coaxial cable
  - Twist-on style eliminates the need to use tools
  - Provides maximum signal transfer
- Gold, 2 Pack: VA1002RG6TW  
Gold, 10 Pack: VA1010RG6TW

**CRIMP-ON F CONNECTORS**

- Connects to RG6 coaxial cable
  - Crimping tool not included (Can use Zenith® crimping tool - VM1001RG6CT)
- Gold, 2 Pack: VA1002RG6CR  
Gold, 10 Pack: VA1010RG6CR

**FEED-THRU F CONNECTORS**

- Connects two RG6 coaxial cables
  - Provide a clean connection point for wired electronics
  - Allows cables to be hidden within walls or cabinetry
  - Compatible with modular wallplates and multi-media panels
- Gold, 2 Pack: VA1002RG6FT  
Gold, 10 Pack: VA1010RG6FT

**RIGHT ANGLE F CONNECTORS**

- Connects an RG6 coaxial cable
  - Space-saving, 90° angle design
  - For use in hard-to-reach spaces
- Gold, 1 Pack: VA1001RG6RA

**QUICK F-PLUG ADAPTER**

- Converts screw-type connector to a simple push-on connector
  - Quick disconnect for fast and easy conversion of coaxial hookups
  - Ensures a solid connection for an optimal signal transfer
- Gold, 1 Pack: VA1001RG6QP

Premium

18K GOLD

**2-WAY COAX SPLITTER**

- Splits one coaxial cable signal into two
  - 18K gold to resist corrosion and ensure a reliable transfer
  - 5-2400MHz frequency
  - Screws included for installation
- Gold, 1 Pack: VS3001SP2W

2.4 GHz

Premium

18K GOLD

**4-WAY COAX SPLITTER**

- Splits one coaxial cable signal into four
  - 18K gold to resist corrosion and ensure a reliable transfer
  - 5-2400MHz frequency
  - Screws included for installation
- Gold, 1 Pack: VS3001SP4W

2.4 GHz

**2-WAY COAXIAL SPLITTER**

- Splits one coaxial cable signal into two
  - 5-900 MHz frequency
- Gold, 1 Pack: VS1001SP2W

900 MHz

**3-WAY COAXIAL SPLITTER**

- Splits one coaxial cable signal into three
  - 5-900 MHz frequency
- Gold, 1 Pack: VS1001SP3W

900 MHz

**2-WAY COAXIAL AB SWITCH**

- Allows one cable signal to be used on two devices
  - Ideal for game consoles and VCRs
  - Slide-style switch allows you to manually change input sources
- Gold, 1 Pack: VR1001SW2W

**4-WAY COAXIAL SPLITTER**

- Splits one coaxial cable signal into four
  - 5-900 MHz frequency
- Gold, 1 Pack: VS1001SP4W

900 MHz

**COAXIAL FEED-THRU BUSHINGS**

- Allows coaxial cable to feed through wall
  - Durable plastic construction
  - Seals wall openings
  - Secures and protects cable
- Black/White, 2 Pack: VM1002RG6BU

**COAXIAL NAIL FASTENERS**

- Allows you to easily route and install cables without damaging the jacket
  - Secure 75 Ohm cable to nailable surface
  - Pre-installed nails for simple installation
  - Will not pinch or crush cable shielding
- 20 Pack, Black: VM1020NAB  
20 Pack, White: VM1020NAW

## COAX CRIMPING TOOL

The Zenith® Coaxial Crimping Tool makes securing crimp-on F connectors to coaxial cables a breeze. It can be used to crimp both RG6 and RG59 cables. The nickel plated construction provides maximum durability and long life, while the insulated, cushioned handles give you high leverage and tighter crimps for a professional finish. Designed with a tapered nose, this crimping tool is sure to help you complete any project, even in tight locations.

- Attaches F connectors to RG6 or RG59 coax cable
  - Durable nickel plated steel
  - Insulated cushioned handles for a comfortable grip
  - Tapered nose for use in tight locations
  - High leverage for tighter crimps
- Nickel/Black: VM1001RG6CT

## CRIMPING TOOL

### SINGLE COAX WALLPLATE

- Connects 75 Ohm cable through wall
  - Traditional design fits any standard outlet or flush mount
  - Provides a professional and finished look for your coax cables
  - Screws included for mounting
- Almond: VW1001WJ1A  
White: VW1001WJ1W

### DUAL COAXIAL WALLPLATE

- Connects two 75 ohm cables through a wall
  - Traditional design fits any standard outlet or flush mount
  - Provides a professional and finished look for your coax cables
  - Screws included for mounting
- Almond: VW1001WJ2A  
White: VW1001WJ2W

### 3-WAY MANUAL COMPONENT SWITCHER

- Connects up to three audio/video components to a single TV
  - Slide-style switch allows you to manually change input sources
  - Color-coded jacks for easy installation
  - Compatible with video game systems
- Black: VR1001SW3W

### RF MODULATOR

- Connects DVD players, VCRs, video cameras and video games to a TV
  - Uses only one coaxial cable input
  - Automatically switches from TV to connected component when power for that component is turned on
  - S-video cable and AC power source included
- Black: VR1001RFMDS

### COAX STRIPPING TOOL

- Strips insulation from any RG6 coax cable to receive connectors
  - V-block is reversible for RG6 & RG59 cables
  - Preset blades for RG6 and RG59 cable
  - If blade adjustment is required, snap out hex key wrench to align adjustable blades to fit most any size coax cable
- Grey: VM1001RG6ST

**1-WAY SIGNAL AMPLIFIER**

- Boosts the signal where additional TV Sets, VCRs, etc. are required without loss of reception quality
  - Amplify VHF/FM and Cable Service signals without the normal loss of signal splitting
  - Not intended for use outdoors
- Chrome: VP1001AMP12D

900 MHz

**4-WAY SIGNAL AMPLIFIER**

- Boosts the signal where additional TV Sets, VCRs, etc. are required without loss of reception quality
  - Amplify VHF/FM and Cable Service signals without the normal loss of signal splitting
  - Not intended for use outdoors
- Chrome: VP1001AMP4W

900 MHz

**DUAL OUTLET POWER INVERTER**

- Provides two AC power outlets from any car lighter outlet
  - Provides power through USB power port
  - Ideal for powering notebook computers and portable DVD players
- Black: VP1001P200

200 Watts

**SCREEN CLEANING SOLUTION**

- Removes dust and fingerprints without streaking or staining
  - Unique isopropyl alcohol free formula safely works on LCD, LED, Plasma, DLP, Mobile screens and flat panel monitors
  - Helps provide full picture clarity you expect from your flat or curved panel HDTV
  - 6.7 fl. oz. spray bottle and micro fiber cloth both included
- Kit: CS1001SCRCLR

**SCREEN CLEANING KIT**

- Removes dust and fingerprints without streaking or staining
  - Unique tip on duster for reaching into tight corners
  - Unique isopropyl alcohol free formula safely works on LCD, LED, Plasma, DLP, Mobile screens and flat panel monitors
- Kit: CS1001SCRKIT

**RADIAL DISK CLEANING SYSTEM**

- Helps keep all of the picture clarity and sound quality you expect from your DVDc or CDs
  - Removes dirt, dust, oil and fingerprints from the disc surface
  - Includes cleaning solution (40ml)
- Kit: CD1001DVDCLR

**DVD/CD LASER LENS CLEANER**

- Cleans the lens of your DVD or CD player and keeps it dust free for better performance
  - Recommended for DVD, CD-R, CD-RW, CD-ROM, Blue-ray and video game systems
  - Voice guide in eleven different languages
- Disc Only: CD1001LASCLR

**PREMIUM PACKAGING**

**COLOR-CODED PACKAGING**

**PREMIUM PACKAGING**

Zenith® premium cables and accessories are engineered to provide a truly superior signal to ensure your customers are experiencing detail in sound and picture quality from their components. This step-up line is packaged in soft-touch premium blue boxes with die-cut arcs that reveal the cable ends for easy identification. All premium products feature 18 or 24 karat gold connectors for superior fit, signal quality and corrosion resistance, designed to extend the life of the product and meet the highest standard of performance.

**COLOR CODED PACKAGING**

Color coded packaging is a fundamental emotional driver that not only makes the package a persuasive sales tool but ultimately provides an organized approach for consumers to easily identify which category of product is right for them. Color has been proven to subtly effect buying habits and increases the chance of catching a consumers eye. The Zenith® product line is color coded for that exact reason. With so many products to choose from, we take the guess work out of shopping by organizing the categories with colors that are closely associated with their respective industry — an instant visual cue that aids consumers in making the right purchase every time.
