

Zephr®

Your one stop source for quality cleaning products.®

Zephyr®

Your One Stop Source For
Quality Cleaning Products®

Since 1927 Zephyr has been a family owned and operated manufacturer. A manufacturer that continually takes pride in supplying its customers with quality products, competitive prices, prompt service and accurate customer service. Today Zephyr serves North America with specific products aimed at the institutional, industrial, janitorial and food service markets. Our products are sold to distributors and redistribution wholesalers. We offer the most complete selection of mops, brooms, brushes, handles and associated products available from one source. We here at Zephyr continually strive to ensure we are the "One Stop Source for Quality Cleaning Products®".

Zephyr Manufacturing Company was founded in 1927 by Harry E. Lindstrom. Initially the product line consisted exclusively of brooms. In the early 1940's the Company entered the mop business. In 1957 Harry E. Lindstrom suffered a stroke and passed away. At that time Robert J. (Bob) Lindstrom, Harry's son, who began his career with the Company in 1947, assumed the responsibilities of Company President. In 1982 Robert retired leaving behind a legacy of solid growth and expansion. His son, John, who began his career with Zephyr in 1975, became Chief Executive Officer. In 2008, R.J. Lindstrom started his career with Zephyr. R.J. became President in 2010 and thus began the impressive milestone of Zephyr becoming a 4th generation family run business.

"My father and grandfather brought to this company the desire to always be honest and up front with our customers and vendors, as well as our desire to provide superior service." Maintains John Lindstrom.

Today, the company continues to upgrade and modernize its manufacturing equipment with in-house design and build projects that allow it to prosper in today's world market. Continuous upgrades to computer services and telecommunication equipment are maintained so the company is responsive in this electronic age. Zephyr maintains contacts and suppliers worldwide affording it the ability to remain competitive while offering the best value available from Your One Stop Source For Quality Cleaning Products®.

"Zephyr's greatest strength lies in its long-standing tradition of selling quality products at a reasonable price coupled with great customer service."
- R.J. Lindstrom, President

ASTM International is one of the largest voluntary standards developing organizations in the world. Zephyr Manufacturing has both brooms and mops that meet the ASTM specifications. The brooms and mops that meet these standards are noted on the catalog page and price list.

WHAT DOES THE ASTM STANDARD DO FOR YOU?

If you specify mops that meet the ASTM standard F 2368, you are assured that the fiber content falls within ranges established by the standard and the average weight of the product is within one ounce of the specified weight. One clear example of the merits of this standard is "rayon" mops. There are mops in the marketplace sold as "rayon" that contain, in some cases, only trace amounts of rayon fibers. Not under F 2368. Gone also are the "numbered" mops.

Pricing and Packaging Information

Our price list is printed separately from the catalog. Please check our current price list for all product code numbers, case packs, prices, terms and conditions of sale.

Fantail Option

The fantail option is available on all regular wet mops. The tailband holds the strands of yarn in place, maximizing the mop coverage area. Fantails eliminate tangled messes when wringing.

Wide Band Option

Optional wider bands are available on all regular wet mops. Wide Bands are a heavy duty 5" wide polyester MESH sewn with 4 rows of stitching. Recommended for use with gripper mopsticks and where quick drying is a necessity as the mesh dries much faster than a conventional headband.

Screwflat Mop Heads

Our Screwflat Mops lay flat on the floor for more efficient mopping. Screw-on handles provide for quick and easy changing of heads. Available handles fit most screw style mops. Heads and handles are priced and packed separately. All Cotton, Rayon, Blend and Synthetic ounce weight Screwflat mop heads meet the ASTM F 2368 mop standards.

Standard Cut End

Zephyr quality insures satisfaction and repeat sales. All standard mop heads come with a 1 1/4" wide headband and 2 sturdy rows of stitching. All sizes are conveniently packed in individual bags.

Loop Mop Heads

Looped end mops help eliminate unraveling, prolong mop life and significantly reduce linting. The tailband used with looped end mops holds the strands of yarn in place. This increases the coverage of each stroke allowing for maximum spread on the floor surface. Our loop mops come standard with a MESH Headband to aid quick drying and to assist in removing those stubborn dirt spots. Narrow bands available.

ShrinkGuard™ Pre-Laundered Option

Our quality Rayon, Tuf/Blend™ and H•C Blend™ yarns are also available preconditioned to minimize initial shrinkage and maximize absorbency.

BBL™ (Brown Box Line)

BBL™ Products provide our customers with the lowest price alternative. Zephyr has expanded its BBL offering and is able to offer a full line of value priced products that are competitive with imported mops but are made in the United States. All the cotton and blue mops can be private labeled upon request.

Standard Cut End Mop Heads

Standard mop heads come with a 1 1/4" wide headband and 2 rows of stitching.

DECK MOPS

Zephyr Industrial Deck Mops feature quality wire-bound construction using strong wire to lock the yarn on the handle for heavy duty mopping. We take the extra time to construct a "cushion" of yarn over the handle end so it doesn't scratch the floor. Zephyr Industrial Decks are on plain sanded handles and shipped six mops in a poly bag.

CUT END WET MOP HEADS

All VALUE+PLUS™ cut end wet mops meet the ASTM F 2368 Mop Standard. This does not include the Economy or BBL™ Lines.

Shineup®

Our most popular general use mop head

The Shineup® 4-ply cotton mop head is excellent for general purpose cleaning and offers our best value for a disposable mop head. Choose a fantail band to help eliminate tangling and increase the mop's surface coverage or a wide band for use with a clamp style mopstick.

Description	Code	Mop Weight Ounces	Case Weight Pounds	Case Cube Size	Case Pack

FINISH MOPS

Nylon Finish Mop Heads

The Continuous Filament Nylon Loop Mop is formulated to be virtually lint-free. This special yarn holds the finish yet allows for a slow release to maximize uniform coverage. When your finish jobs demand the best tool to apply floor finish, demand the Zephyr Nylon Finish Mop!

Description	Code	Case Weight	Case Cube	Pack
Medium Narrow Headband	27302	12.0	1.25	12
Large Narrow Headband	27303	16.0	1.35	12
Also available with 5" mesh headband and in our Screwflat style.				

Top-Kote™ Finish Mop Heads

The TOP-KOTE™ mop is constructed using an advanced blended yarn with a blue stripe to insure proper usage. This mop from Zephyr is built with a "tapeless" fantail to maximize coverage and minimize problems.

Description	Code	Case Weight	Case Cube	Pack
Medium Narrow Headband	27002	12.0	1.25	12
Large Narrow Headband	27003	16.0	1.35	12
Also available with 5" mesh headband and in our Screwflat style.				

Nylon Dura-Waxer™ Flat Mop Heads

The flat style wax applicator is catching on fast! Our Flat Waxers are built on a mesh mitt that allows for an easy and controlled flow of wax into the mop and onto the floor. The nylon yarn is nearly lint-free. The simple tie-on style conveniently fits a standard dustmop frame. When you want the fastest, high-quality tool to apply floor finish use the Nylon Dura-Waxer™.

Description	Code	Case Weight	Case Cube	Pack
Nylon 5" x 18"	23818	5.5	.42	6
Nylon 5" x 24"	23824	6.5	.42	6

Top Kote™ Dura-Waxer™ Flat Mop Heads

This flat waxer is constructed using our advanced blended yarn. The signature blue stripe insures proper usage. Built on a mesh mitt to easily control the flow of wax into the mop and onto the floor. The simple tie-on style insures maximum usability and versatility. When you need to lay down a lot of floor finish in a hurry, use the Top Kote™ Dura-Waxer™.

Description	Code	Case Weight	Case Cube	Pack
Top Kote™ 5" x 18"	23918	5.5	.42	6
Top Kote™ 5" x 24"	23924	6.5	.42	6

Z-Ray™ Loop Mop Heads

A 4-ply synthetic yarn for general purpose use

When rayon is needed and price is a concern, choose our Z-Ray™ 4-ply synthetic loop mop. Good for general purpose use.

Description	Code	Size	Case Weight	Case Cube	Pack
Z-RAY™ 4-ply Synthetic An economy yarn for general purpose use.	28501	Small	9.0	1.00	12
	28502	Medium	12.0	1.25	12
	28503	Large	16.0	1.35	12
	28504	X-Large	20.5	1.81	12
Also available in narrow band.					

Rayon Loop Mop Heads

4-ply white yarn

For those jobs that require the least possible linting. Highly absorbent and reusable, this mop gives you service!

FLOOR/WINDSHIELD WASHER SQUEEGEES

Our Moss Heavy Duty and Plastic Floor Squeegees are available with Black Rubber or Red Neoprene Rubber. Black Rubber is a good general purpose material for cleaning areas where oil and heat resistance is not required. Our Red Neoprene Rubber is resistant to heat, chemicals and oils.

Solid Black Rubber Squeegees

The Zephyr Heavy Duty Floor Squeegee is ideal for all around general use. It features a heavy gauge steel angle and retaining strip and has a durable finish. The handle holder is strong yet lightweight and the squeegee is assembled with zinc plated hardware for lasting quality. It has a 1/4" x 2" Black Solid Rubber blade. Choose Straight or Curved and 18", 24" or 36" widths. Use any tapered handle, sold separately.

Description	Code	Case Weight	Case Cube	Pack
Straight Heads 18" Solid	42218	11.0	.80	6
Curved Heads 18" Solid	42618	11.0	.80	6
Also available in 24" and 36". Use any tapered handle.				

Windshield Washer/Squeegee

A professional squeegee that is built for long-lasting use. Constructed in an all plastic design which eliminates the danger of scratching glass. This squeegee consists of an 8" nylon net covered sponge on one side and a soft 8" rubber squeegee blade on the other. Equipped with a threaded, solid plastic handle.

DUST MOP HEADS

Disposables

The Zephyr Disposable Dust Mop offers you a durable and cost effective dusting tool. Built on a tough TYPAR mitt with a durable quality yarn, these disposables have an extra end-cuff which extends the life of the mitt to give you maximum usage. Every disposable is individually bagged and treated to insure maximum dust retention. A universal tie-on style insures compatibility with virtually any 5" frame. Available in our NATURAL cotton yarn for those that need an effective dusting tool at the lowest possible cost. For heavier usage, our BLUE blended yarn gives the best value. All Zephyr Disposable Dust Mops have cut ends to insure maximum dust retention!

Our BBL™ (Brown Box Line) products are manufactured with price in mind. We recommend sampling before a large commitment is made.

Pro-Blend™

Our Pro-Blend™ Dust Mops offer an excellent combination of heavy-duty service and attractive pricing. This specially blended yarn is also heat-set to resist unraveling and tangling while washing. These professional mops are cut end by design, this puts at least 4 times the dust collecting ends of yarn on the floor. Built on a polyester side-load mitt.

Pro-Twist™

This is the best professional dust mop you can buy! The highest quality cotton yarn is continuously twisted to insure no loose ends of yarn to lint. The quality cotton yarn yields the best combination of durability and absorbency. Built on a heavy duty polyester mitt that will take a lot of abuse, the side-load style mitt fits tight to minimize wear. Every Pro-Twist™ mop is preconditioned to minimize initial shrinkage and insure maximum washability.

Our most popular professional grade dust mop

Dura-Twist™

This top quality industrial dust mop is truly made for the "professional"! Designed and built to withstand multiple washing cycles while retaining the ability to pick up and hold a maximum amount of dust. We use a unique polyester backing which stays put on the frame because of its sturdy, snug side-load construction. The heart of this dust mop is our carefully blended synthetic yarn with a permanent "set" that resists unraveling. Unlike looped dust mop products, our "heat set" yarn has cut ends which pick up and hold dust much more effectively.

Description	Code	Case Weight	Case Cube	Pack	
5" x 12"	13712	3.0	.42	6	Also available in tan yarn.

The everyday WORKHORSE

Pro-Plus™

Pro-Plus™ is the ideal everyday "workhorse" industrial dust mop! Built with quality 4-ply white cotton yarn, sewn on with double stitching that insures rugged performance. The Pro-Plus™ comes with our unique blue colored polyester mitt instead of conventional canvas. The Pro-Plus™ stays snug on the frame because of its side-load style construction.

BROOMS

Zephyr offers an impressive variety of brooms for every application. The ASTM F 2367 Standard defines the types of brooms and Zephyr delivers them, including: Whisk, Toy, Lobby, Household Janitor and Warehouse. Our extremely popular plastic fiber Angle Brooms round out your selection.

OUR BEST SELLING BROOM!

Warehouse Brooms

Zephyr Warehouse Brooms are available in 100% broomcorn or all natural fibers. Our Warehouse Brooms are sturdily constructed on heavy duty amber lacquered handles with heavy metal bands and 3 rows of stitching to provide maximum strength and durability.

Description	Code	Case Weight	Case Cube	Pack
#28AH, Natural Fibers, 3-sew, Wire Band, Size 28	33028	14.0	1.80	6 Bdl
#34AH, Natural Fibers, 3-sew, Wire Band, Size 34	33034	17.0	2.14	6 Bdl
#28AF, 100% Broomcorn, 3-sew, Wire Band, Size 28	33128	14.0	2.14	6 Bdl
#34AF, 100% Broomcorn, 3-sew, Wire Band, Size 32	33134	16.0	2.14	6 Bdl
Meets the ASTM F 2367 broom standards.				

Zephyr Streamline™ Whisk

Made of 100% broomcorn, our Zephyr Streamline™ style construction makes it slimmer and easier to hold.

Description	Code	Case Weight	Case Cube	Pack
10", Streamline™, 100% Broomcorn, 2-sew, Size 4	35275	4.0	.36	12 Bdl
Meets the ASTM F 2367 broom standards.				

Broomcorn – lasts longer and sweeps better because each fiber is covered with hairlike follicles that trap and hold dust particles.

Natural Fiber – uses a substitute fiber from a yucca plant with a layer of quality broomcorn on the outside. Yucca is a tough and pliable fiber especially suited for sweeping concrete.

Angle Brooms – use sturdy, long-lasting plastic fiber bristles. Available with miracle soft tips that sweep all kinds of surfaces and with un-flagged tips for sweeping carpets and mats.

Janitor Brooms

Zephyr Janitor Brooms are available in 100% broomcorn or all natural fibers. Zephyr's Janitor Brooms are made with 5 rows of stitching and securely attached to heavy duty black lacquered handles for better durability.

Description	Code	Case Weight	Case Cube	Pack
#31J, Natural Fibers, 5-sew, 1 1/8" Handle, Size 30	38031	15.0	1.80	6 Bdl
#31A, 100% Broomcorn, 5-sew, 1 1/8" Handle, Size 30	38131	15.0	1.72	6 Bdl
Meets the ASTM F 2367 broom standards.				

Zephyr Streamline™ Janitor

The Zephyr Streamline™ Broom meets the Janitor Standard of the ASTM F 2367 broom standards. Made of 100% broomcorn and built on 1 1/8" diameter black handle with 4-sew stitching.

Description	Code	Case Weight	Case Cube	Pack
#30 Streamline™, 100% Broomcorn, 4-sew, Size 28	31030	14.0	2.14	6 Bdl
Meets the ASTM F 2367 broom standards.				

Lightweight Brooms

Good Value

This natural fiber broom comes with a lacquered handle and 3-sew stitching. Packed one dozen per bundle.

Description	Code	Case Weight	Case Cube	Pack
Natural Fibers, 3-sew, Red Handle, Size 18	32018	18.0	1.94	12 Bdl

Our BBL™ (Brown Box Line) products are manufactured with price in mind. We recommend sampling before a large commitment is made.

Plastic Brooms

Big-Oik™

Bristles are sturdy, long-lasting plastic fiber with miracle soft tips that dust and sweep all kinds of surfaces. The angle cut allows it to be used for corners, edges, under counters and in those tough-to-reach places. Electrostatic action holds dirt and dust, unsurpassed for efficient action. Outlasts many other brooms yet lightweight and easy to use. Zephyr Angle Brooms come with a brown handle, metal handle or our non-marking clear lacquered wood handle.

Description	Code	Case Weight	Case Cube	Pack
Big-Oik™ Angle, 13" Wide, Tan with Brown Handle	34068	12.0	2.11	6 Ctn
Big-Oik™ Angle, 13" Wide, Tan with Clear Handle	34069	12.0	2.11	6 Ctn
Big-Oik™ Angle, 13" Wide, Tan with Metal Handle	34088	11.0	2.11	6 Ctn

"Stiff" Big-Oik™

Now get the Big-Oik™ with a tough stiff plastic fiber. This un-flagged fiber is ideal for sweeping carpets, walk off mats and heavy dirt areas. The stiff fiber promotes a "flicking" action that is very useful on carpet. The "stiff" Big-Oik™ has the same big 13" sweep. Available with a non-marking clear handle or a metal handle.

Description	Code	Case Weight	Case Cube	Pack
"Stiff" Big-Oik™ Angle, 13" Wide, Clear Handle	34089	12.0	2.11	6 Ctn
"Stiff" Big-Oik™ Angle, 13" Wide, Metal Handle	34090	11.0	2.11	6 Ctn

Zip-Oik™

Zip-Oik™, a smaller version of the Big-Oik™, has a 9" sweeping surface for tighter spaces and maneuverability.

Description	Code	Case Weight	Case Cube	Pack
Zip-Oik™ Angle, 9" Wide, Tan w/ Brown Handle	34058	15.0	3.57	12 Ctn
Zip-Oik™ Angle, 9" Wide, Tan w/ Clear Handle	34061	15.0	3.57	12 Ctn
Zip-Oik™ Angle, 9" Wide, Metal Handle	34062	13.0	3.57	12 Ctn
Zip-Oik Lobby™ 9" Angle Broom w/ 32" Handle	34078	12.0	2.11	12 Ctn

Solid Sweep

13" Angle Broom with a solid block for extra durability. Flagged fibers hold dirt and debris for a clean floor every time.

Description	Code	Case Weight	Case Cube	Pack
13" Angle Broom w/ Black Metal Handle	34065	6.0	2.11	12 Ctn

Zip Sweep™

The Zip Sweep™ is a long-lasting broom at a low price, ideal for small areas. The sturdy long-lasting plastic soft-tip fiber has electrostatic action that attracts and holds dust particles. If it becomes excessively dirty, a quick rinse in clear water makes your Zip Sweep™ like new. Has a 14" wide sweeping surface, built on a sturdy white painted handle. Individually packaged with an attractive plastic bag.

Description	Code	Case Weight	Case Cube	Pack
Zip Sweep™, 12" Wide Soft Tip	34059	17.0	3.57	12 Ctn

Metal Angle Lobby

8" Angle Lobby Broom with metal handle.

Recommended for use with the Streamline Lobby Dust Pan.

Description	Code	Case Weight	Case Cube	Pack
8" Angle Lobby Broom w/ 30" Metal Handle	36950	5.0	1.78	12 Ctn

PUSH BROOMS

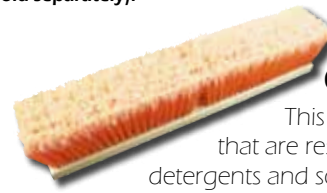

When choosing a push broom consider what's most practical for your application. Floor Sweeps are for indoor surfaces. Garage Sweeps are for concrete and outdoor use. Poly Block push brooms offer advantages such as durability, water resistance and they don't warp or splinter. Handle braces add support and reduce thread twisting and are recommended for larger blocks (sold separately).

Standard Polypropylene

Black polypropylene bristles for all-purpose sweeping on linoleum, asphalt, tile and other fairly smooth surfaces. Chemical, oil and water resistant. Natural lacquered hardwood block.

Description	Code	Case Weight	Case Cube	Pack
18" Standard Polypropylene	39618	21.0	1.86	12
24" Standard Polypropylene	39624	28.0	2.44	12
36" Standard Polypropylene	39636	45.0	3.57	12
Heads only. Use any threaded handle. Also available in poly block.				

Orange Styrene

This broom has orange plastic bristles that are resistant to a wide range of alkalis, detergents and some acids. Natural lacquered hardwood block. Flagged, soft tips for sweeping fine dirt.

Description	Code	Case Weight	Case Cube	Pack
18" Orange Styrene Soft Tip	39118	22.0	1.86	12
24" Orange Styrene Soft Tip	39124	28.0	2.44	12
36" Orange Styrene Soft Tip	39136	44.0	3.57	12
Heads only. Use any threaded handle.				

Red Duro/Strand™

The Red Duro/Strand™ broom has red plastic bristles used for a wide range of wet or dry sweeping applications. This plastic is resistant to alkalis, detergents and some acids. Natural lacquered hardwood block.

Description	Code	Case Weight	Case Cube	Pack
18" Duro/Strand™ Red	39418	26.0	1.86	12
24" Duro/Strand™ Red	39424	35.0	2.44	12
36" Duro/Strand™ Red	39436	48.0	3.57	12
Heads only. Use any threaded handle. Also available in poly block.				

Deluxe Grey Flagged

Excellent for use in medium to light sweeping areas. Flagged, soft tips for sweeping fine dirt. Chemical, oil and water resistant. Natural lacquered hardwood block.

Description	Code	Case Weight	Case Cube	Pack
18" Deluxe Grey Soft Tip	39018	22.0	1.86	12
24" Deluxe Grey Soft Tip	39024	28.0	2.44	12
36" Deluxe Grey Soft Tip	39036	44.0	3.57	12
Heads only. Use any threaded handle. Also available in poly block.				

Palmyra Garage

100% palmyra fiber. Good for sweeping driveways, concrete floors, warehouses and other rough surfaces. Natural lacquered hardwood block.

Description	Code	Case Weight	Case Cube	Pack
18" Palmyra Garage	39218	21.0	2.03	12
24" Palmyra Garage	39224	27.0	2.69	12
36" Palmyra Garage	39236	48.0	3.57	12
Heads only. Use any threaded handle. Also available in poly block.				

Combo/Strand™

The Combo/Strand™ combines durable red Duro/Strand™ material in the center surrounded by gray flagged deluxe material on a hardwood block. This broom gives you the best qualities of two brooms in one! Zephyr's Combo/Strand™ works well indoors and out, for smooth or rough surfaces and for fine or course dirt.

Description	Code	Case Weight	Case Cube	Pack
18" Combo/Strand™	39518	26.0	1.86	12
24" Combo/Strand™	39524	35.0	2.44	12
36" Combo/Strand™	39536	48.0	3.57	12
Heads only. Use any threaded handle.				

Tampico

100% black tampico fiber. Excellent for use in medium to fine sweeping applications. Natural lacquered hardwood block.

Description	Code	Case Weight	Case Cube	Pack
18" Tampico	39818	24.0	1.86	12
24" Tampico	39824	32.0	2.44	12
36" Tampico	39836	47.0	3.57	12
Heads only. Use any threaded handle. Also available in poly block.				

Braces & Clamps

A Handle Clamp is used for medium duty sweeping with smaller floor sweeps. For heavy duty sweeping with large brooms, use the Handle Brace that firmly locks the block to the handle.

Description	Code	Case Weight	Case Cube	Pack
Handle Clamp (Fits any push broom)	21201	3.0	.16	12
Handle Brace (Fits any push broom)	21202	5.0	.16	12

BRUSHES

Marine

Use this brush for cleaning boats, trucks or campers. Has one threaded hole, use any standard threaded handle (sold separately). Built of tough white Proex plastic that is "crimped" to add strength. Special flare construction protects washing surfaces.

Description	Code	Case Weight	Case Cube	Pack
Marine 8" White Proex	41808	9.0	1.09	12
Head only. Use any threaded handle.				

Flo-Thru "Bi-Level" Brush

10" heavy poly block with crimped poly fibers. This bi-level brush is handy for many chores, such as cleaning baseboards, kitchen floors, under tables and more! Has a flow-thru block to allow application of liquids through the brush.

Description	Code	Case Weight	Case Cube	Pack
10" Crimped Poly Fiber	41510	16.0	1.95	12

Truck

Zephyr Truck Brushes have a plastic "Bumper" around the block to protect washing surfaces. Built with a single threaded hole, available in these fibers:

Grey Flag – Flagged plastic for fine dusting. Excellent water holding capacity, "flicking action" and heat resistant.

Nylex – Nylon fiber is super light, resilient and durable. Can be boiled and is impervious to solvents, alkalis and certain acids. Do not use with mineral acid. Better water holding than other synthetics.

Description	Code	Case Weight	Case Cube	Pack
8" Grey Flagged	41008	17.0	1.17	12
8" Nylex	41108	13.0	1.17	12
10" Grey Flagged	41010	21.0	1.17	12
10" Nylex	41110	17.0	1.17	12
Heads only. Use any threaded handle.				

Tampico

Palmyra

Deck

These ever popular brushes are now available from Zephyr. Built on 2³/₄" wide hardwood block.

Palmyra – Durable natural fiber for those tough cleanup jobs.

Tampico – Natural vegetable fiber has unique liquid holding and release properties.

Yellow Poly – Polypropylene fibers are lighter weight than most plastics. Resistant to oil, solvents and detergents. Will not load, curl or mat. Not for use in high heat.

Description	Code	Case Weight	Case Cube	Pack
10" Tampico	41210	14.0	.76	12
10" Yellow Poly	41310	14.0	.76	12
10" Palmyra	41410	14.0	.76	12
Heads only. Use any tapered handle.				

BRUSHES

Counter – Wood Block Black Poly –

Polypropylene fibers are lighter weight than most plastics. Resistant to oil, solvents and detergents.

Will not load, curl or mat. Not for use in high heat.

Grey Flag –

Flagged plastic for fine dusting. Excellent water holding capacity, “flicking action” and heat resistant.

Tampico – Natural vegetable fiber has unique liquid holding and release properties. Great for all purpose dusting.

Description	Code	Case Weight	Case Cube	Pack
8" Black Poly	40008	9.0	1.24	12
8" Tampico	40108	9.0	1.24	12
8" Grey Flagged	40208	9.0	1.24	12

Also available with poly blocks.

Pot Brushes

Zephyr offers you the most popular Pot Brushes! Available in either 8" length or 20" length for those “large” jobs where extra length is needed. All Zephyr Pot Brushes are staple set in smooth sanded hardwood or durable tan colored foam poly handles with a convenient hang up hole in the end of the shaped handle. Available in these fibers:

Palmyra – Durable natural fiber for those tough cleanup jobs.

Tampico – Natural vegetable fiber has unique liquid holding and release properties.

Yellow Poly – Polypropylene fibers are lighter weight than most plastics. Resistant to oil, solvents and detergents. Will not load, curl or mat. Not for use in high heat.

Description	Code	Case Weight	Case Cube	Pack
8" Palmyra	51008	6.0	.36	12
8" Tampico	51208	6.0	.36	12
8" Yellow Poly	51408	6.0	.36	12

Also available in 20" lengths and with poly blocks.

Scrub Brushes

Zephyr offers scrub brushes in both square and pointed styles. All Zephyr scrubs are staple set in smooth sanded hardwood blocks in 9" pointed and 7" square shapes. Available in these popular fibers:

Palmyra – Durable natural fiber for those tough cleanup jobs.

Tampico – Natural vegetable fiber has unique liquid holding and release properties.

Yellow Poly – Polypropylene fibers are lighter weight than most plastics. Resistant to oil, solvents and detergents. Will not load, curl or mat. Not for use in high heat.

Description	Code	Case Weight	Case Cube	Pack
7" Palmyra Square Wood Block	52007	6.0	.33	12
7" Tampico Square Wood Block	52207	6.0	.33	12
7" Yellow Poly Square Wood Block	52407	6.0	.33	12

Also available in 9" pointed configurations.

MICROFIBER

Microfiber Loop Mops

The performance of microfiber in a loop mop!

Yarn made of technologically advanced, continuous filament microfiber offers the ultimate in absorbency and supersonic drying times. Looped construction along with a standard 5" mesh headband promotes optimum, lint-free cleaning. This durable material launders exceptionally well.

Description	Code	Case Weight	Case Cube	Pack
Small White 5" Wide Headband	12901	5.5	.63	6
Medium White 5" Wide Headband	12902	7.0	.87	6
Large White 5" Wide Headband	12903	8.5	1.15	6

Also available in blue.

Microfiber Cloth Looped End Mop Heads

The ultimate mop head for demanding jobs. Knit microfiber tubes bring the cleaning power and durability of microfiber cloth to a looped end mop head. To top it off, this mop has a 5" wide headband.

Description	Code	Size	Case Weight	Case Cube	Pack
Microfiber Cloth Looped End Mop Head	12932	Medium	6.0	.63	6
	12934	Large	8.0	.87	6

Microfiber Cloths

Zephyr's microfiber cleaning cloths are color coded to aid you in your job specific needs. All cloths are packed 12 per case.

Description	Code	Case Weight	Case Cube	Pack
16" x 16" Blue Microfiber Cloth	12872	2.0	.42	12
16" x 16" Green Microfiber Cloth	12874	2.0	.42	12
16" x 16" Yellow Microfiber Cloth	12876	2.0	.42	12
16" x 16" Red Microfiber Cloth	12878	2.0	.42	12

Microfiber Dry Duster Tools

Metal and foam flexible construction bends to fit any surface. Fits small handle or our telescoping handle shown below (up to 70") for hard-to-reach areas. Reusable microfiber dust sleeve can be washed hundreds of times.

Description	Code	Case Weight	Case Cube	Pack
Frame, Hand Grip & Blue Microfiber Cover	12824	3.0	.32	6
Frame, Hand Grip & Green Microfiber Cover	12825	3.0	.32	6
Blue Microfiber Cover	12826	1.5	.42	12
Green Microfiber Cover	12827	2.0	.42	12
40" - 70" Snap-On Extension Handle	21528	5.0	.42	6

Microfiber Flat Damp Mop System

The flat damp mop pad grabs and holds dirt and grime. The spaces in the pad allow for large amounts of moisture to be collected making the pad very absorbent.

Description	Code	Case Weight	Case Cube	Pack
18" Standard Flat Damp Mop Pads	12801	2.25	.42	12
24" Standard Flat Damp Mop Pads	12802	2.75	.42	12
36" Standard Flat Damp Mop Pads	12804	3.25	.42	12

Use Clip-On Flat Mop Frame or Aluminum Snap-on Frame (see page 28).

Microfiber Dry Dust Mop Pads

Looped fringe traps large dirt and debris. Specially designed split microfiber pile picks up even microdust which can dull floor finish. Synthetic fiber formulation always carries a strong positive charge.

Description	Code	Case Weight	Case Cube	Pack
18" Microfiber Dry Dust Mop Pad	12831	2.0	.42	6
24" Microfiber Dry Dust Mop Pad	12832	2.5	.42	6
36" Microfiber Dry Dust Mop Pad	12834	3.0	.42	6

Use Clip-On Flat Mop Frame or Aluminum Snap-on Frame (see page 28).

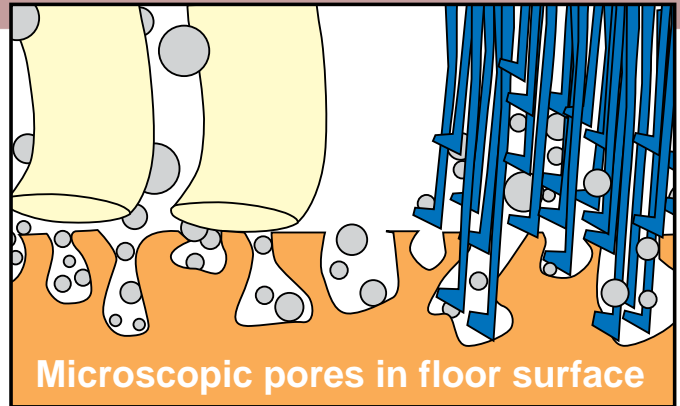

Microfiber Floor Finish Application Pad

Special microfiber formulation mimics the softness of lamswool with the strength and washability of synthetic fiber. Perfect for smooth, no-streak application of any type of floor finish product.

Description	Code	Case Weight	Case Cube	Pack
18" Floor Finish Pad	12821	2.25	.42	12

Use Clip-On Flat Mop Frame or Aluminum Snap-on Frame (see page 28).

Microfibers are densely constructed polyester and polyamide fibers that are approximately 1/16 the size of a human hair. The density of the materials enables it to hold six to eight times its weight in water. The positively charged microfibers attract dust and the tiny fibers are able to penetrate the microscopic surface pores of most materials. These characteristics make microfiber an extremely effective cleaning material.

Scrubbing Pads

Interwoven lines of tough polyester scrubbing material get up tough dirt and clean grout lines.

Description	Code	Case Weight	Case Cube	Pack
18" Scrubber Damp Mop Pads	12806	2.25	.42	12
24" Scrubber Damp Mop Pads	12807	2.75	.42	12
36" Scrubber Damp Mop Pads	12809	3.25	.42	12

Use Clip-On Flat Mop Frame or Aluminum Snap-on Frame (see page 28).

1 1/2" x 3" x 9" Individually Wrapped	56139	6.0	.25	12

BBL™ (Brown Box Line)

BBL™ Products provide our customers with the lowest price alternative. Zephyr has expanded its BBL offering and is able to offer a full line of value priced products that are competitive with imported mops but are made in the United States.

Wide Band

Wide Bands are a heavy duty 5" wide polyester MESH sewn with 4 rows of stitching. Recommended for use with gripper mopsticks and where quick drying is a necessity as the mesh dries much faster than a conventional headband.

Fantail Option

The tailband holds the strands of yarn in place, maximizing the mop coverage area. Fantails eliminate tangled messes when wringing.

Screwflat Mop Heads

Our Screwflat Mops lay flat on the floor for more efficient mopping. Screw-on handles provide for quick and easy changing of heads. Heads and handles are priced and packed separately.

See page 2

Zephyr brooms, mops, dust mops, brushes and other cleaning products are available through leading distributors and master distributors throughout the world.
