Limited 90 Day Warranty

The Manufacturer (DPI, Inc.) warrants this product to be free from defects in workmanship and materials, under normal use and conditions, for a period of 90 days from the original date of purchase. The Manufacturer agrees, at its option during the warranty period, to repair any defect in parts, material or workmanship, or to furnish a repaired or refurbished product of equal value in exchange without charge (except for a fee for shipping, handling, packing, return postage, and insurance which will be incurred by the customer). Such repair or replacement is subject to verification of the defect or malfunction and proof of purchase as confirmed by showing the model number on the original dated sales receipt. This warranty is **not transferable** to any person or entity other than the original purchaser.

The extent of the Manufacturer's liability under this warranty is limited to the repair or replacement provided above. In no event shall the Manufacturer's liability exceed the purchase price paid by the purchaser for the product. If, upon review by the manufacturer, no defects were found, end-user will assume shipping costs and transportation back into their custody.

Services provided under the terms of this warranty are your exclusive remedy.
