# MOBILE PRODUCTS

## Post-it® Mobile Products

Post-it® Mobile Attach & Go Products are designed to work where you work. They **stick, insert or clip** to items you carry, ensuring you have the tools you need to be productive.

No matter where your business takes you, Post-it® Brand products are with you every step of the way.

### POST-IT® MOBILE ATTACH AND GO POCKETS

Stick securely and remove easily from laptops, notebooks, planners and more. They are transparent so you can see contents such as schedules, handouts and presentations with a quick glance knowing you have what you need.

### POST-IT® MOBILE ATTACH AND GO FULL ADHESIVE NOTES

The notes for people on the go. Remove the last two sheets and stick the entire pad to laptops, notebooks, planners and more so you have notes at your fingertips when you need them. Full-adhesive means notes stay together and stick secure. Sticks securely and removes easily.

### POST-IT® MOBILE ATTACH AND GO FLAGS & TABS DISPENSERS

Sticks securely and remove easily from laptops, notebooks, planners and more. The durable, low-profile dispenser protects and organizes the tabs so they are ready when you need them. Use flags & tabs to colour code, direct attention and find what matters fast.

# RECYCLED PRODUCTS

## Post-it® Recycled Notes

The Post-it® Brand recognises the importance of a green office policy. By putting your green office policy into practice you can take one of many steps in demonstrating accountability & help to lower your environmental footprint.

In response to this the Post-it® Brand offers a range of Post-it® Notes Tower Packs made from 100% recycled fibres which builds on the existing recycled range.

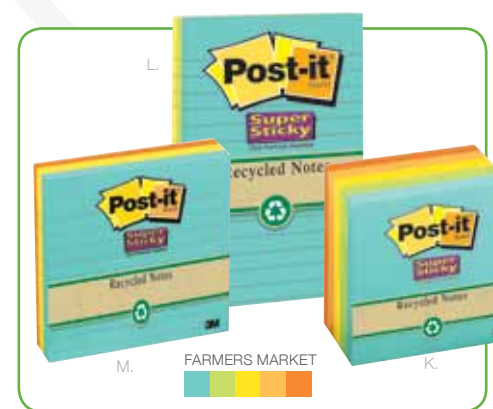

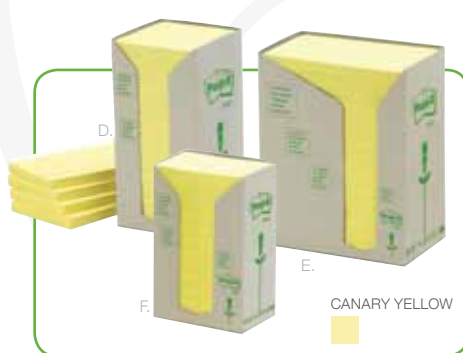

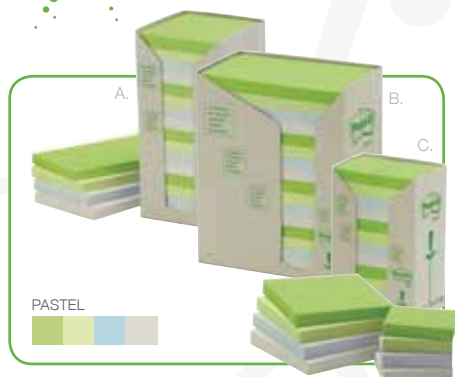

Your favourite notes made from 100 percent recycled paper now come with a greener plant based adhesive which is made from plants that are replenished after harvesting.

And like all Post-it® Notes, they are recyclable. When you use Post-it® Greener Notes, you're happy and the planet is happy!

### OUR RECYCLED NOTES

- Have the same adhesive performance quality as all of the standard Post-it® Notes
- Provide environmentally conscious businesses with a green alternative
- Are 100% recyclable
- Include a minimum 30% post-consumer waste content

# POST-IT® FLAGS

Work  
and study  
smarter,  
not harder  
with Post-it®  
Flags

## Post-it® Flags

Post-it® Flags help you stay organised.

- **Mark** pages for quick reference by yourself or others to save time and find what matters. Fast!
- **Tab** catalogues, folders, suspension files and binders for easy organisation of your files and paperwork.
- **Pinpoint** information and request action quickly and easily.

Work and study smarter, not harder with Post-it® Flags.

It's the **little things** that make the difference.

# COLOURED FLAGS

## Post-it® Flags

Mark pages for quick reference by yourself or others to save time & find what matters. Fast!

Post-it® Flags:

- Stick securely
- Remove easily without lifting ink or damaging the page
- Are easy to write on
- Come in a variety of colours. Great for colour coding

**Choose from the traditional clear flags or the NEW full colour translucent range!**

Post-it® Traditional flags are the perfect choice where scanning, photocopying or faxing is required as the clear flag will not obscure or shadow the page.

Post-it® Full Colour Translucent Flags are great for highlighting important text as well as flagging your pages for quick reference.
